MESSAGE FROM PRESIDENT MICHAEL D. HIGGINS

I would like to send my best wishes to all those taking part in UCD's inaugural Sustainability Action Day.

This is a greatly important initiative which reminds us that, as global citizens, we share an enormous responsibility to protect our environment, and to play our part in preserving the planet for our own and future generations. We are challenged to lay the foundations of a new model for human flourishing and social harmony – one that is shared between all those who dwell on this planet. I commend you for your commitment to making this promise thrive and bloom and I wish you a most successful inaugural Sustainability Action Day.

Michael D. Higgins
