

Saguaro National Park West

Saguaro National Park West is located in Marana and is a gorgeous, desert location for portraits of all kinds. With the towering twin peaks in the background, a sea of cholla and a long straight road between the cacti, there are lots of different options for beautiful nature photos. There is a bit of a dirt road at the end of the drive, but it is fairly easy to get to.

Outfit Advice

Recommended colors: cream, olive, mustard, denim & blush
You may bring other outfits, but there's no bathroom to change in.

Great place for dramatic, formal outfits

Uneven ground isn't great for heels for uncomfortable shoes

Directions

Search "[Stardance Event Center](#)" in your map service, and it will take you close to the location.

Head west on I-10 from Tucson and take exit 246 to Cortaro. Take a left and then a right on Silverbell. Then, take a left on Continental Reserve, a right on Pima Farm and a left on Scenic Dr.

At the end of Scenic Drive, there is a small area to park in the dirt.
