

Sabino Canyon

Sabino Canyon is one of Tucson's most beautiful desert landscapes, with gorgeous golden hour light and the beautiful Catalina Mountains in the background. This location is perfect right at sunset, when the cacti & creosote bushes glow. This location works for both half & full sessions but it is isolated in location and difficult to combine with other locations.

Accessibility

Crowding

Available Times

Pet-Friendly: No

Bathrooms: Yes

Outfit Advice

Recommended colors: cream, slate, olive, khaki, mauve & blush
Denim & other textured fabrics pop against the background
Easy access to bathrooms for multiple outfits
Heels are possible, but the ground is a bit uneven in some parts

Directions

Search "[Sabino Canyon Recreation Area](#)" in your map service, and it will give you the correct directions!
Head north on Wilmot Road and follow it as it turns onto Tanque Verde Blvd. From there, take a left on Sabino Canyon Road. In 2 miles take a right to stay on Sabino Canyon Road. The entrance will be on the right in 2 miles.
