

# Pima Air & Space Museum

A staple for any Tucsonan, the air and space museum is a large property in East Tucson dedicated to showcasing the history of aviation and houses more than 350 aircrafts from the last 100 years. This location is great for Air Force members, pilots, aviation junkies or anyone that wants something a little unique and different for their images! Admission is \$13.25 per person and my admission is not included in the session fee.

## Accessibility

## Crowding

## Available Times

*Pet-Friendly: Yes*

*Bathrooms: Yes*

## Outfit Advice

Recommended colors: black, gray, white, denim & maroon  
Layers and accessories will stand out from the backgrounds

Great place for dramatic, formal outfits  
Flat ground for heels, but the walking distance is far, so feel free to bring a change of shoes.

## Directions

Search "[Pima Air and Space Museum](#)" in your map service, and it will give you the correct location.

Head east on I-10 from central Tucson and take exit 267 onto Valencia Rd. After two miles, take a right into the museum and park anywhere in the lot. We will meet at the admissions desk inside.
