

What Our Clients Say

- Training Services

Angliss China Ltd
Mr. Peter LAM
Human Resources Manager

We highly appreciate the Consultants of TQM who have trained up our skills and helped us overcome the difficulties we encountered.

Ewig Industries Co. Ltd
Mr. Jackson CHU
Chairman

...to express our sincere thankfulness for the professional Team Building training programme conducted by TQM.

Hang Yick Properties Management Ltd.
Ms. CHOW Kin Wing
Personnel Manager

...The Management Training Programme was successfully conducted and was highly commended by us and our staffs. We find TQM's consulting services and training courses effective in improving our work efficiency.

Po Leung Kuk Chong Kee Ting Primary School
Ms. YEUNG Veng-Meng
Principal

Using the Malcolm Baldrige model as the yardstick, TQM carried out an in-depth review of our school's vision, mission and day-to-day operations, and provided us professional advice on manageable and workable improvement solutions.

The Hong Kong Council of Social Service
Mr. Joseph WONG
Business Director

You have demonstrated high standard of quality and provided the participants with both the knowledge and the practical skills in strategic planning and application of the Balanced Scorecard.

CEC Catering Equipment Co., Ltd
Ms. Christina Caine
General Manager

Thanks for a successful follow-up session. I trust our members have a better understanding of some of the methods taught, and Monica and I are working on establishing the objectives for each individual, so hopefully this is the first step... You have certainly inspired us all.

CLP Power (HK) Limited
Mr. M K MAK
Training

The pilot Workshop you delivered was most welcomed by our managers as they witnessed substantial improvements in their Safety Briefers' presentation skills.

MAXIM'S CATERERS LTD
Mr. Norman YUM
General Manager

Thank you so much for your generous expenditure of time and effort to make our Food Safety Conference successful. We are certain that your speech and sharing have inspired our staff and enhanced their awareness of food safety. I am sure we will work closely with you and your company in the future to make Maxim's group a leading F&B company in food safety in HK and China.

Hong Kong Institution of Engineers
Manufacturing and Industrial Division(2007-
2008 session
Ir Dr Winco K.C. YUNG
Chairman

We would like to thank TQM for the professional design of the LEAN management training program, and highly appreciate the professionalism of your trainer for delivering an excellent and inspiring workshop.

MTR Corp Ltd
Mr. George, FUNG
Member of E-WIT Training & Development
Sub-Committee

We would like to express our heartfelt thankfulness to TQM for sharing the LEAN applications in various business settings to our E-WIT members. Your presentation has been insightful, and has brought a significant new perspective to our E-WIT team members.
