

## **Assistant Piano Instructor - Part-Time(Sonoma County)**

Compensation: starting at \$15.00 per hour/part-time

### **About Us:**

Move Over Mozart is an after-school enrichment program that specializes in piano learning. Our program was established in 1988 and is currently offered in 47 elementary schools across Sonoma County.

### **Now Hiring for:**

We are currently in need of Assistant Piano Instructors.

### **Position Overview:**

Assistant Piano Instructors guide children through music theory fundamentals in a group lesson setting. Our after-school program runs from September 2019 - May 2020. Each group lesson is 30-minutes in duration, with 5 students per lesson. Our Assistant Piano Instructors are assigned to specific schools throughout the school year. Some schools may have 6-8 group lessons back to back.

Assistant Piano Instructors support the Lead Piano Instructor by helping teach music theory principles from the student workbooks, music-focused games and activities. The Assistant Piano Instructor leads the group activities, as the Lead Piano Instructor takes turns to work with each child one-to-one at the piano; guiding them as they play their lesson book assignments.

Our piano students range from beginner to intermediate in skill-level. We are seeking Assistant Piano Instructors that can commit to 3-5 afternoons per week depending on availability.

### **The Ideal Candidate:**

Those who apply should be reliable, punctual, self-starters who have a background in music and a passion for working with youth and enriching lives through music. The pay for this position starts at \$15 per hour with the potential to be promoted to a Lead Instructor. All applicants must undergo a background check and fingerprinting.
