

4 Reasons to Study Abroad in Philadelphia

If you're considering studying abroad in the United States, be sure Philadelphia is on your radar. Ranked #3 on *The New York Times'* "Top 52 Places to go in 2015," there's no denying Philadelphia is a great place to visit. Now learn what makes the City of Brotherly Love ideal for studying abroad.

1. Colleges and universities galore.

Philadelphia is home to the second-largest number of colleges in the United States. In fact, the city even has a neighborhood aptly named University City, which encompasses six colleges and universities within a few blocks of each other. Students from all over the world come here to study pharmaceuticals, biotechnology, health care, finance,

insurance and more. **Chances are**, if you want to study it, you can find a school in Philadelphia to do so.

2. Proximity to major cities.

Location, location, location: Philadelphia is conveniently situated between New York City (2 hours by car) and Washington D.C. (3 hours by car)—perfect for weekend excursions. Philadelphia's rail service spans the Northeast, providing convenient travel to Boston and other major U.S. cities, as well as Canada. Bus service to and from Philadelphia is also easily accessible, with daily arrivals from all parts of the country.

3. Rich in history.

The birthplace of American independence and the American flag. Home of the Liberty Bell, America's first university and the oldest residential street. History finds you wherever you turn in Philadelphia. Find inspiration studying where history was made.

4. Delicious food.

The cheesesteak and soft pretzel may be emblematic of Philadelphia cuisine; however, the city is **gaining traction** as one of the best places to dine in the United States. Its roving food trucks are popular among college students and with a variety of international flavors,

even those studying abroad can find a piece of home right in Philadelphia.
