

**PARENTAL CONSENT AND RELEASE FOR MINOR VOLUNTEERS**

Per DWD state statute, in order for a minor (age 14 years or older) to participate in the Whitnall Falcon Booster Club (WFBC) Volunteer Program, they are required to obtain parental consent. WFBC will require one permission slip per school year per student engaged in volunteer activities.

I, the Undersigned, am the parent or legal guardian of the above-named minor and confirm that he/she is 14 years of age or older. I wish to allow my minor child to provide volunteer services to the WFBC. I acknowledge that the nature of the volunteer services which are typically performed by WFBC may involve (a) physical activity, (b) contact with unidentified and unfamiliar persons, and (c) potential risk of injury. I further acknowledge that my afore named minor child has the physical capacity reasonably necessary to engage in this activity. I freely agree to have my child provide such volunteer services and hold harmless any claims against WFBC, its board members, volunteers, and representatives, in their individual and representative capacities from all claims, demands and liability relating to or arising out of such volunteer activity.

In case of emergency, accident or illness, I give permission for my minor child to be treated by a professional medical person and admitted to a hospital, if necessary. I also agree to be the party responsible for all medical expenses which are incurred on their behalf. Finally, I agree that any photographs taken of my child may be used by WFBC in any materials or publications, printed or electronic.
