

**DANGER KEEP OUT OF REACH OF CHILDREN**

**AGRECOVERY**  
Rural Recycling Programme

# Li-700<sup>®</sup>

**MULTI PURPOSE ADJUVANT**

**Surfactant, Penetrant,  
Acidifier and Drift retardant**

Active Ingredients:  
lecithin, polyoxyethylene ether  
Also contains propionic acid 30% - 40%

CROP SOLUTIONS

**READ LABEL CAREFULLY BEFORE USE.****HSNO Classifications: 8.2B, 8.3A, 9.1D, 9.3B****DANGER**

Causes severe skin burns and eye damage.

Harmful to aquatic life.

Toxic to terrestrial vertebrates.

**HANDLING PRECAUTIONS:** When mixing or applying, wear protective clothing, gloves and goggles. Do not eat or drink while using. Wash hands and face before meals and after work. Wash protective clothing after work. Avoid breathing fumes or spray. Avoid release into the environment.

**STORAGE:** Store in original container tightly closed and in a locked, dry, cool, well ventilated area above 5°C. If frozen, warm product before use. Ensure product is kept away from feed, seeds and foodstuffs. Storage must be generally in accordance with NZS8409 Management of Agrichemicals. See the HAZNOTE for further information.

**PRODUCT DISPOSAL:** Ensure unwanted product is used by another operator strictly in accordance with label directions. Do not allow product to enter waterways, drains or sewers.

**CONTAINER DISPOSAL:** Triple rinse container and add residue to spray tank. Submit clean empty container for recycling through Agrecovery. If this is not possible, burn if permitted and circumstances, especially wind direction allow, otherwise bury in landfill.

**FIRST AID:** For advice, contact the National Poisons Centre **0800 POISON (0800 764 766)** or a doctor immediately.

If in eyes: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do.

**If on skin:** Take off contaminated clothing. Wash with plenty of soap and water.

**If swallowed:** Do NOT induce vomiting.

**if inhaled:** Remove person to fresh air. Keep at rest until fully recovered.

**PRODUCT INFORMATION**

**LI-700** is a non-ionic, low foam surfactant, which lowers the surface tension of water and enhances the activity and penetration of herbicides, plant growth regulators, desiccants, defoliant, foliar nutrients and systemic fungicides and insecticides. **LI-700** is also an acidifying agent lowering pH of spraying solutions thus preventing alkaline hydrolysis of pesticides sensitive to high pH.

**LI-700** also improves deposition of pesticides and retards drift by producing a more uniform spray pattern. Application may be by ground or air.

**LI-700** is a product derived from soy beans.

**LI-700** is Rainfast in 30 minutes

**DO NOT USE ON ANY ORNAMENTAL CROP INCLUDING THOSE GROWN FOR CUT FLOWERS, FOLIAGE AND NURSERY PLANTS.**

**DIRECTIONS FOR USE**

**LI-700** may be used on a wide variety of tree fruits, vines, cereals and vegetables. Some pesticides have stated adjuvant use rates. In all cases, follow the pesticide manufacturer's instructions and use the rate specified. Do not add **LI-700** at a rate that exceeds 5% of total spray volume.

**RECOMMENDATIONS**

**General Use: Fungicides, Insecticides, Plant Growth Regulators,**

**Foliar Nutrients:**

- Use 65 - 500 mls/ 100 litres of spray mixture.  
Use high rate for improved uptake of systemic pesticides
- Use 250 - 500 mls/100 litres with the lowest recommended rate of chlormequat on wheat and oats

**Herbicides, Defoliant, Desiccants:**

- Use 125 - 500 mls/100 litres of spray mixture when used as a surfactant/ penetrant

**Drift retardant:**

- Use 250 - 500 mls/100 litres of spray mixture.

**Acidifying Agent**

- Highly alkaline water (pH 8 or higher) 60 -120 mls /100 litres water
- Mildly alkaline/acid water (pH 6.5 - 8) 30 - 60 mls /100 litres water

**COMPATIBILITY:** **LI-700** is an acidifier and may not be chemically or physically compatible with alkaline spray materials. Do not use **LI-700** with copper fungicides as damage to the crop may occur.

**EXCLUSION OF LIABILITY: PLEASE READ**

To the extent permitted by law, buyers and/or users of the goods accept that neither the manufacturer, Etec Crop Solutions Limited as distributor, nor any other distributor have any liability or responsibility whatsoever for any loss, damage or injury whether in contract or tort, whether direct, indirect or consequential howsoever arising in connection with the supply of these goods.
