DAY FOUR – Saturday 7 JULY 2018

Bootcamp Proper

Workshop I

9:30am to 5:00pm

Content

- Welcome session
- Simon Sinek video presentation
- What does the entrepreneurial journey look like and what will the Bootcamp and subsequent Sandbox be focusing on
- Lean Canvas and overview of biases and how these lead to assumptions
- Activator founders share their lean testing stories
- Lean Startup methodology (Build, Measure, Learn)
- Recap and homework video

Activity

- Pitch your problem and idea to your table group
- Share the purpose/why you're the one to solve the problem
- Using your Lean Canvas to identify assumptions to test
- Plan your first lean tests
- Pitch your test plans to your table groups for feedback (cheaper, quicker, more robust)
- Iterate your test plan based on feedback you received

RMIT Activator | Building 98 | Level 2
102-104 Victoria Street

Close Day 4

DAY FIVE – Sunday 8 JULY 2018

Bootcamp Proper
