RM 456 - Faye Chancellor - Had a pacemaker and defibrillator put in 12/11/19. Had to have a blood transfusion on Monday, 12/16/19. She is very weak because of low blood count. Pray that transfusion will help.

12/17/2019 Heart rate is acting up today. Dr. Oddis has been called back in. Heart rate up to 130. Having problems controlling her fluids and bloating. The blood over loads with fluid and produces more problems.

Perry Hospital

Verna Mae Brewer (sister of Melba Hubbard) - Hospitalized with pneumonia. She has a severe UTI infection with some fluid around her heart and sepsis.

Members Prayer Concerns

Terry Bryant - Back Surgery Wednesday, December 18 went well. Home recovering. Pray for smooth and quick recovery.

Jerry Carter - Had knee surgery Tuesday, December 10. Surgery went well. He is at home recovering.

Jimmy Chancellor - He is doing well from his spinal stenosis surgery and will see his doctor for post surgery appt on December 10.

Bobby Floyd - (Husband of Carol Floyd) Had double bypass Monday, December 9. Surgery went well. Pray for smooth recovery and his weekly dialysis.

Carol Moore is asking prayer for her mother, **Hellen Moore**. She is having an aspiration procedure on her left knee to draw off fluid for testing. If she does not have an infection, then they will perform a knee replacement. This will be her 2nd replacement of that knee.

Ellen Skinner - At home recovering from knee replacement and issues she developed after surgery with a bleeding ulcer. Saw orthopedic doctor and got a good report.

Melissa Wells asked prayer for a **Franklin and Heather Campbell**. (Heather is a teacher at Matt Arthur Elementary). Their apartment complex caught on fire and most of their possessions and all they had purchased for Christmas were destroyed in the fire.

Tornado Destroyed Hope Baptist School in Alexandria, Louisiana
Melissa Wells brother's ex father-in-law was at the church/school when the tornado hit, as was his wife who is a teacher there. He had to jump under a pew for safety. Children were obviously there at the time, as well, since school had not let out for Christmas break yet. Pray for them as they recover!

Non-Members Prayer Concerns

Jennie Bush - (Former TBC Member) Jennie will leave Macon on January 1st and have preop on January 2nd, Kidney transplant scheduled for January 3 at Mayo Clinic in Jacksonville, Florida.

Jimmy Carter - (Former TBC Member/Husband of Jenni Carter)

Update from Jenni 12/16/2019- Today is a momentous day for us! Although Jimmy has a few more Occupational Therapy Sessions, he has been cleared to go back to work January 1. The doctors and therapists have been amazed at his progress, but we know it's an answer to prayers! We have so many friends going through difficult health scares right now. Praying that one day soon they will be able to post good news like this. And thank you to everyone who has lifted Jimmy up in prayer. Please pray that he doesn't get any more infections!

Vivian Cooper - (Friend of Jackie Madden) Heart issues.

Trinka Davidson - (Med Cntr Navicent Health M425) (neighbor of Lydia Holloman) Recent Heart surgery and other health issues.

Catherine Griffin - (Co-worker of Diane Roberson) Has a torn ACL. Released by her doctor. He just told her no jumping or running - and she is fine with that!

Kathy Harris - (requested by Shirley May) Diagnosed with bone cancer. Prayers appreciated.

Tammy Hulsey - (Sister of Paula Mitchell) Diagnosed with a chronic condition. Prayers appreciated.

Darrell Kidd - (requested by Shirley May) Has been put on list for kidney transplant.

Bill Kimberly - (brother of James Kimberly) Diagnosed with Bladder Cancer. He had surgery 10/24 and a cat scan 10/30. They were encouraged that the cancer was contained to the bladder and had not spread to anywhere else. He will have 6 weeks of radiation.

Michael Love - (Son of Nell Love - former TBC Secretary) Had esophageal surgery at Emory 12/16. Surgery went well. They think they have everything corrected. He will have to eat small bites and follow with liquid from here on out. Will have barium swallow test as a follow up to see if everything goes down like it should. Also pray for his salvation.

Harriet Nelson - (Mother of a coworker of Diane Roberson). She had a bicycle accident about 6 - 7 weeks ago. Suffered a brain bleed and was in a coma for several weeks. The tracheotomy was removed last week and she is now breathing on her own. She had not been speaking, but she actually had a phone conversation with her son and told him "I love you"! Healing has been a lot slower than the family would like, but she is making progress.

Diane Pisani - (coworker of Diane Roberson) Had neck surgery August 9th. Saw Doctor recently and he said there was not enough bone growth so doctor said she still needed some more time to heal.

Sally Wilmot-PruittHealth (Dear friend of Brenda Helms) Sally is now under hospice care. Continue to be in prayer for Sally

Kenny Youmans - (son of Betty Holland and Sybil Thrift's cousin) Pancreatic cancer stage 4.

Please remember to keep the office updated on any request on this Prayer List. Thank you!!
