

Membership/Commitment

A Life Church member as defined in our current By-Laws is as follows: All persons who have attained adulthood status (18 years of age) and who regularly attend Life Church services and whose lives give clear evidence of having the genuine fruit of a personal, "born again," experience with the Person of Jesus Christ; and who further hold to the full Deity of Jesus Christ as true man and true God; who believe that the Bible is the inerrant word of God and who also concur with the orthodox confessions of faith such as the Apostolic and Nicene Creeds."

For the purpose of the congregational vote to be held on October 6th, 2019, I understand and attest to my life aligning with the above definition of being a "member" of Life Church. Along with that, I am committed to supporting Life Church with my prayers, tithes and by serving this body wherever needed for the foreseeable future. The outcome of this vote will not affect my commitment to Life Church.
