

For Teachers

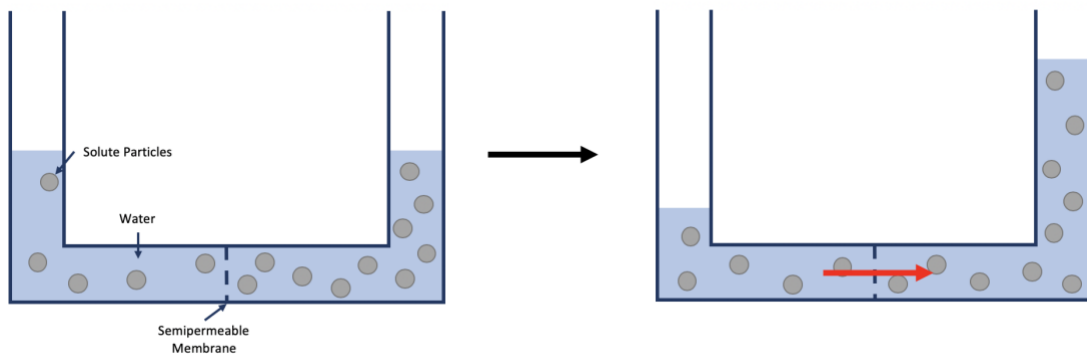

Activity Overview:

The purpose of this activity is to provide students with an understanding of reverse osmosis. Through finishing the activity sheet, students will be able to learn about the difference between reverse osmosis and regular osmosis.

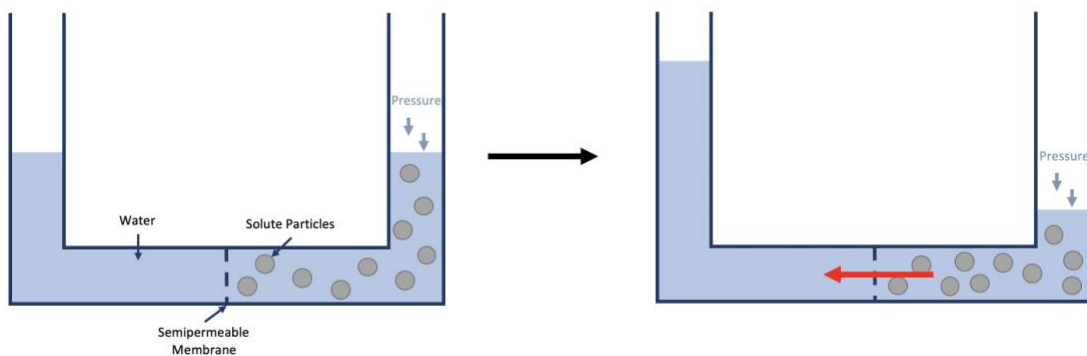

In the diagrams below:

1. Label which diagram depicts which regular osmosis or reverse osmosis.
2. Add an arrow to show the flow of water.

Regular Osmosis

Reverse Osmosis

For Students

Activity Overview:

The purpose of this activity is to provide students with an understanding of reverse osmosis. Through finishing the activity sheet, students will be able to learn about the difference between reverse osmosis and regular osmosis.

In the diagrams below:

1. Label which diagram depicts which regular osmosis or reverse osmosis.
2. Add an arrow to show the flow of water.
