

California Creationz School Lunch

Introduction

California Creationz is comprised of three young, sophisticated, and talented partners. After working with each other at various establishments, the three men soon realized they all shared a passion for providing people with healthy, nourishing, and delicious food. Each partner brought something unique to the table and what emerged was the idea for an affordable service that provided fresh, convenient, and tasty meals to students and staff looking for an easy way to eat healthy. The team at California Creationz is committed to offering a variety of options that won't leave you hungry.

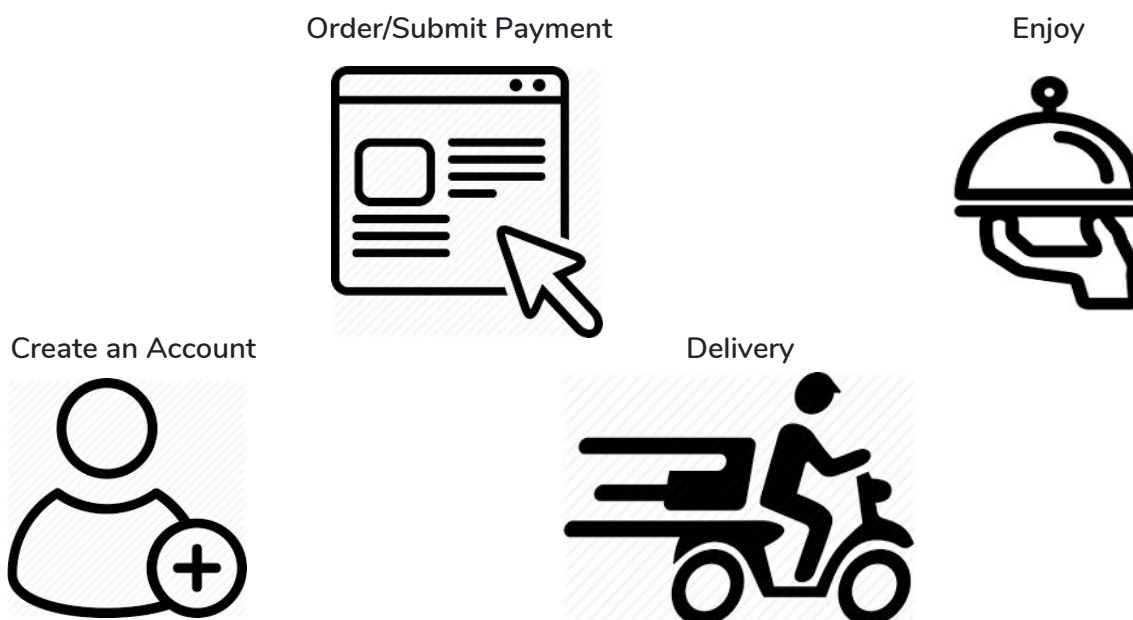

School Lunch

We provide a nutritionally balanced, low-cost lunch to children each school day. Our chefs prepare your meals fresh with a focus on nutritious and delicious ingredients including healthy carbohydrates and proteins. We also avoid refined sugars, processed foods, and preservatives. California Creationz provides an itemized menu to make certain that the parents are aware of what needs to be ordered for the upcoming month. The lunches are well packaged with a side of fruit for every student to enjoy.

Private Schools

California Creationz develops standardized recipes for private school lunches. Our professional staff, variety of menu options, and quality of nutritious food will ensure that the students are receiving a well balanced lunch. Schools are guaranteed remarkable service, delicious flavors, unique dishes. The team at California Creationz works hard to achieve their mission - to take the stress of planning off your plate and replace it with fresh, convenient, and delicious school lunches.

Instructions On How To Order

Create an Account

Parents will have to create an account on CaliforniaCreationz.com. On the website, click the tab that says [School Lunch Delivery](#). Once it takes you to the following page you will have to create an account. After creating your account you will have to click on the [User](#) icon. Then, select the blue tab that appears and says [+Add a User](#) and it will ask you to enter the school code: 863-516. Finally, add the information that corresponds to the student and push the blue tab that says [Submit](#).

Order / Submit Payment

The website will have a [Getting Started](#) tab on the left side to guide you step by step on how to order the lunch. There will be a tab we it says [Order](#), after clicking the tab you will see a calendar. The calendar will allow you to select the days you want the student to get lunch. You will have a choice to select a regular meal or our vegetarian option. We

also provide an add on option which includes a Honest Juice on the side. Once the order is added to the cart, you will be able to pay the items you have selected on the [Shopping Cart](#) tab.

Delivery

On our end, we will ensure that that meals are well proportioned with protein, carbs and fats. The meals will each have a label on them with the name of the student followed by the correct meal they ordered. If there are any concerns about the distribution of meals to the students we will be referring to the administrator at the school site. When we deliver the meals we will be dropping them off at the schools cafeteria or front office.

Enjoy

We take pride in having meals that are not only healthy but enjoyable to the students. The meals themselves are freshly made every morning to be served daily. Students receive their lunch warm enough to be eaten as handed out. We also provide them with utensils to eat their lunch. Our staff feels comfort knowing that many students will have a smile on their face after eating their lunch.
