

Durham Tourism graphics created by Brooke Pollard

Platforms and formats include: Instagram, Instagram Stories, Twitter, Facebook, Social Media Banners and more. The graphics shown below were created for The Regional Municipality of Durham—Economic Development and Tourism Division.

Instagram Grid:

This graphic was created for Durham Tourism's Instagram account and divided into nine separate posts. I've included the original version and a screenshot of how the grid appeared on Instagram, following the account's launch.

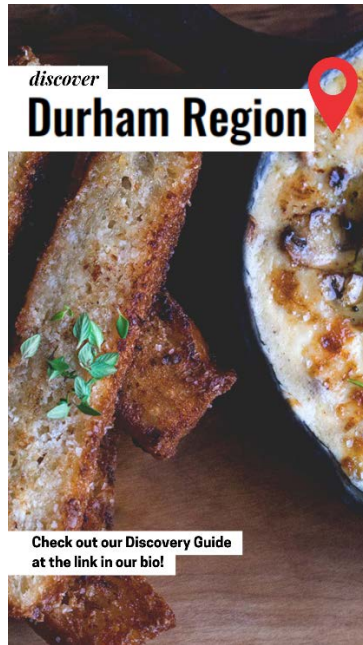

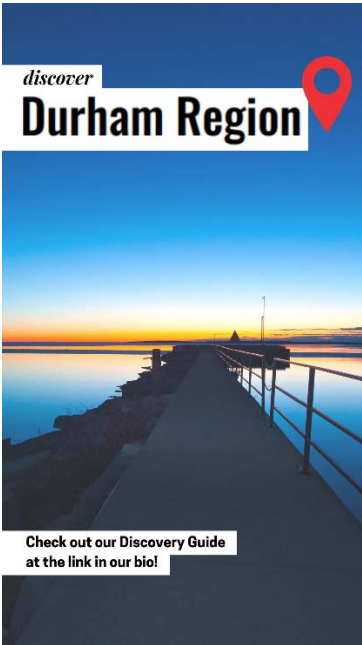

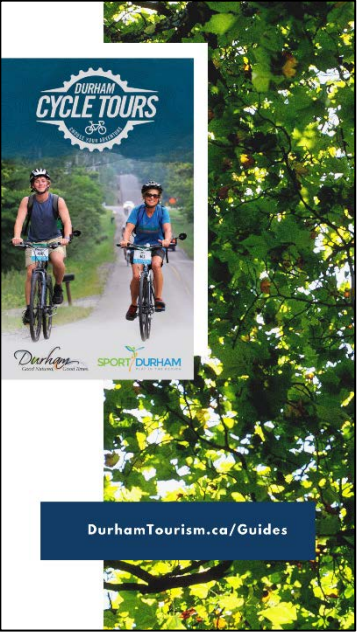

Instagram:

Instagram Stories:

The examples below are each part a larger campaign, in which numerous graphics were created for social media use.

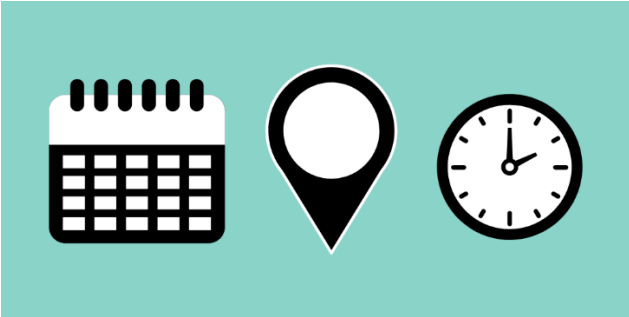

Twitter and Facebook:
