

The Makeover, by ChatGPT

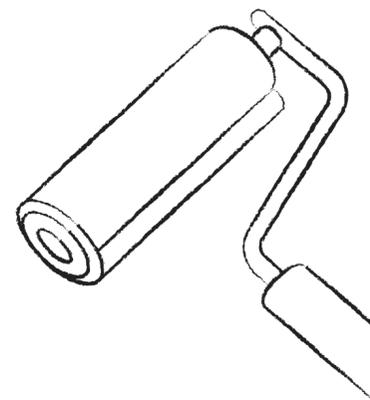

Your pocket partner to help
you plan, build, fix, style, and
transform your space.

Welcome to The Makeover, by ChatGPT
in partnership with Matilda Bea -
a curated collection of chats designed
to help you dream, plan, and create
a home you adore.

Use these chats whenever you need
a fresh pair of eyes, a creative spark, or a
little expert backup to plan, fix or finish.

Matilda's Magic Chats

Here are my kitchen dimensions [dimensions]. What is the most functional layout for cooking and hosting?

LAYOUT INSPIRATION

Act as my interior designer and stylist. Here's a photo of my living room. Give me affordable ideas to make it feel cosy, and show me a mock-up of how it would look. [Add photo]

INTERIOR DESIGN INSPIRATION

Based on these fixtures, what colour palette would complement the natural light of the space better? [Add photos]

COLOUR PALETTE GUIDANCE

Which tile option is most durable for a busy kitchen, image 1 or image 2? [Add photos]

COMPARE OPTIONS

I'm looking to buy a Scandinavian-style lighting under £150, help me find some options from UK suppliers.

COMPARE PRODUCTS

List affordable, eco-friendly or sustainable paint brands available in the UK for soft pastel blue, including product types, price ranges, and where they can be purchased.

SOURCE MATERIALS

Create a budget template for my kitchen renovation. See inventory list attached. [Upload documents]

CREATE BUDGETS

Based on what you know about [project] give me a timeline of decisions I need to make this month and break up into weekly actions. Create task reminders to keep me on track.

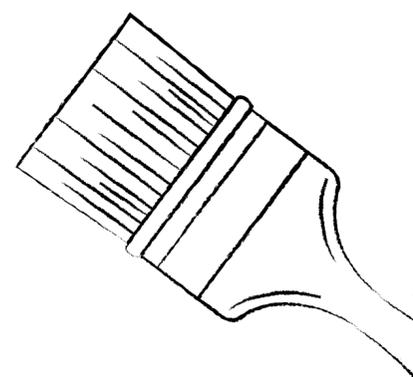

CREATE TIMELINES

Here are my wall measurements [measurements] - how much wallpaper do I need based on standard measurements, and how many rolls should I buy?

CALCULATIONS

Based on this room size [measurements], how many litres of paint will I need for two coats?

ESTIMATE QUANTITIES

ChatGPT's DIY Chat Catalogue

Give me 3 design mood boards for a boho-style bedroom - describe the colours, furniture, and décor.

BUILD MOODBOARDS

Turn this Pinterest board into a cohesive interior design concept. [Add link to Pinterest board]

TEST CONCEPTS

[With video camera on, using Advanced Voice Mode] I'm struggling with picking between rust accents or red accents against my blue living room. What do you think?

COMPARE COLOURS

What's the best furniture layout for a long narrow living room with a bay window?

SPACE OPTIMISATION

Give me smart storage ideas for a flat with no built-in wardrobes.

STORAGE IDEAS

How can I reuse old furniture to give my home a more stylish look?

REFURB INSPIRATION

[With video camera on, using Advanced Voice Mode] How can I upcycle this old chest of drawers into a bathroom vanity?

UPCYCLE IDEAS

List low-VOC and non-toxic paint brands available in the UK.

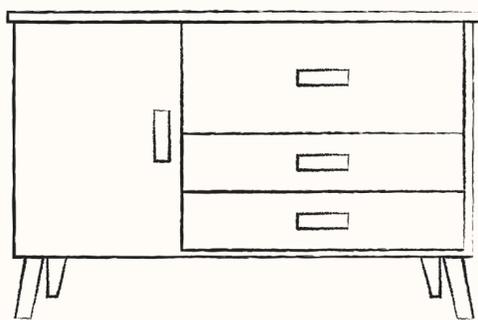

SOURCE SUSTAINABLE PRODUCTS

How can I hide TV cables neatly without damaging the walls in a rental?

PROBLEM-SOLVE

Give me step-by-step instructions to build a floating wooden shelf using tools from B&Q.

STEP-BY-STEP INSTRUCTIONS

Whether you're choosing paint colours, rearranging a tiny room, tackling a DIY fix, or mapping out a full renovation, these chats are here whenever you want a boost of creativity or clarity.

Your next idea is only one chat away.
