The American Friends of Likud takes this opportunity to express our deep and profound gratitude to Brazilian President Jair Messias Bolsonaro, and his son Eduardo Bolsonaro, for officially announcing Brazil's commitment to move its Embassy to Jerusalem, the capital of Israel in 2020.

Brazil has long been a friend of the Jewish State as one of the first countries to recognize and support the creation of the State of Israel. Since that time, the Brazil-Israel relationship has grown in areas such as security and nuclear energy. Now, the strength of your conviction and your support for the State of Israel continues to be evidenced by your inauguration of Brazil's Ministry of Trade office in Jerusalem this week.

President Bolsanaro's unequivocal support for Israel in international forums and his statement that, "We stand with Israel, we stand by the truth." demonstrates the genuine understanding and deep friendship between Brazil and Israel. Your commitment to the State of Israel is greatly appreciated by American Friends of Likud and we look forward to a continued strong and prosperous connection between these two great nations.

Please accept our heartfelt appreciation for your continuing steadfastness and leadership.

Thank you again,

Dr. Gerald Platt, AFL President
Ken Abramowitz, AFL Nat'l Chairman
