The Honorable Prime Minister Viorica Dăncilă  
Embassy of Romania  
1607 23rd St NW  
Washington, DC 20008

Dear Honorable Prime Minister Dăncilă,

We, of the American Friends of Likud, wanted to take this opportunity to express our deep and profound gratitude and thanks. The strength of your conviction regarding your plan to move your Embassy to Israel's capital of Jerusalem demonstrates your vision and integrity.

Romania's 70 years of uninterrupted diplomatic relations with the State of Israel is an undeniable historic fact. We also recognize that Romania remained an important voice during the Camp David accords, which led to peace between the State of Israel and Egypt. Now, as the current holder of the Presidency of the Council of the European Union, may your leadership be an example for your colleagues in the EU Parliament and beyond.

Please accept our heartfelt appreciation for having the boldness to do what is right.

Dr. Gerald Platt, *President*      Ken Abramowitz, *Nat'l Chairman*
