Signatures & Financial Information:

1. All current financial obligations to Lovett must be met before students will be allowed to participate in optional trips. Please contact the business office or financial aid office with questions or to verify your status.
2. Students will travel to and from Siempre Verde as a group. Do not purchase airfare separately without prior approval from the program director.
3. Students will be responsible for the cost of flights, visa fees (if applicable), travel insurance, hotel fees, local transport, tourist fees, tips, and food. Additional costs may arise.
4. All prepaid costs will be charged to student accounts.
5. For many Lovett trips, interest exceeds the number of available spots. Thus, a completed application does not imply that the student has a confirmed place on the trip. Trip leaders will notify all students who apply to confirm their placement on the trip or on the waiting list.

Limited financial aid may be available. Contact Steve Brown ([steve.brown@lovett.org](mailto:steve.brown@lovett.org)) for information.

Completed paper applications are due to Diane Staats ([diane.staats@lovett.org](mailto:diane.staats@lovett.org)) before December 20<sup>th</sup>, 2019. Then, online registration and payment must be completed in the spring through CamperReg.

Expected total cost is approximately **\$3500**, however applications received after **December 20<sup>th</sup>, 2019** will be charged \$4000. A \$1000 per person deposit will be added to the Lovett statement for confirmed participants upon successful online registration through the CamperReg website. This deposit will be non-refundable, unless specifically approved by the program director, Alex Reynolds. Any remaining balance will be billed in April 2020.

Signing this application signifies acknowledgement of the above parameters for the trip and understanding of the costs involved and serves as approval to charge the student account for all confirmed participants. Dates, specific activities, and costs are subject to change.

Parents are encouraged to review the State Department website ([www.state.gov/travel](http://www.state.gov/travel)) and the CDC website ([www.cdc.gov](http://www.cdc.gov)) for warnings, alerts, and recommendations. Traveling students will be registered by Lovett with STEP through the State Department website (<https://step.state.gov/step/>).
