

## **Fika - free**

Doesn't make sense to me  
I think of you constantly  
You should be next to me but  
I'm not alone  
Cos you know that's the thing  
Its not my style I'm faithful  
But if it ends you know

I'm free, yeah free  
Whenever you want me  
Whenever you need me  
I'm free yeah free  
Whenever you want me  
Whenever you need me

Tell me baby what you like  
We can have it your way  
You know it's always on my mind  
Making up for time  
That was lost  
Even when I know it's wrong

I'm free, yeah free  
Whenever you want me  
Whenever you need me  
I'm free yeah free  
Wherever you want me  
Wherever you need me

Can't help myself  
Just long for someone else  
Who makes me feel this way  
I won't tell if you don't  
Want it more than you know  
I'm out of control, yeah, you know  
But I don't think you understand  
Don't know how else to say  
I just want you for my own
