

# Summary of Results from Feedback for 2019 Festival

How did you hear about the Farnham Walking Festival?

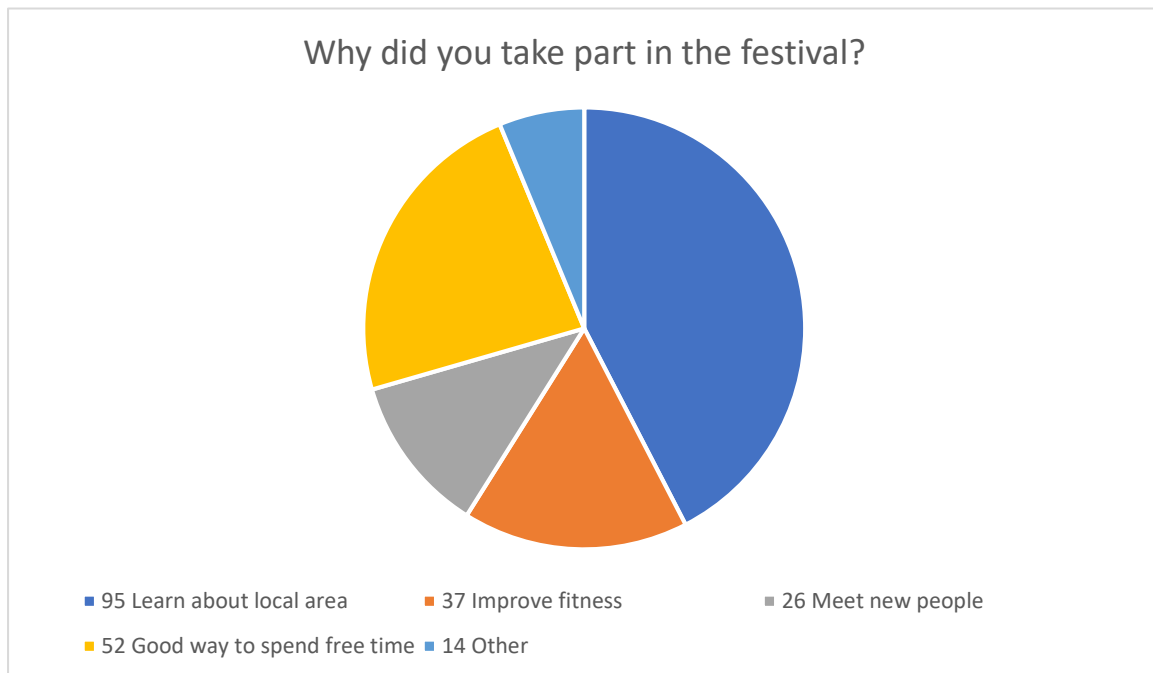

Others included:

- Attended walks before.
- Farnham ramblers
- Bourne Conservation Group and aware from previous years
- After I had booked online my Neighbour pushed a Booklet through my door which set everything out very clearly and it was handy to refer to hard copy.
- internet search for the Farnham Heritage Trail that we did last year

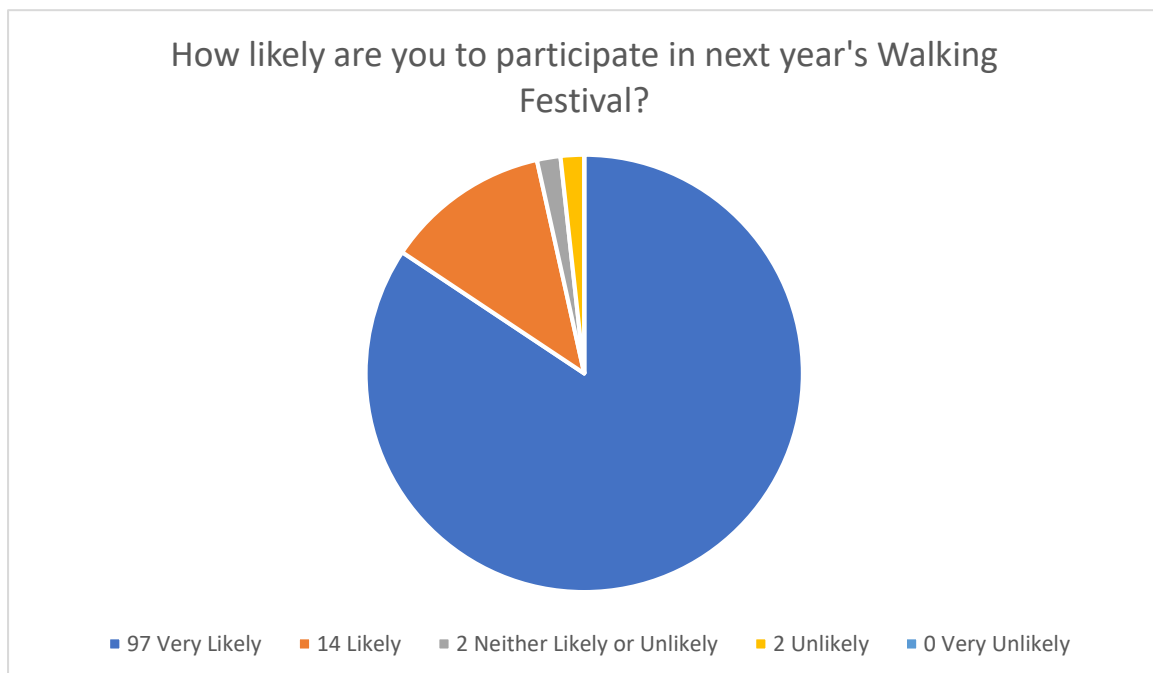

The festival included 'themed walks'. Are there any other themes that you would like to see featured in future years?

- Themes related to climate change.
- Possibly with the motor car - Knight/Abbots/Hawthorn/first motoring offence/old garage sites
- Ghost walk (lots of people said this).
- Bat walk - Flora & Fauna in the area - Anything to do with natural history - birds, butterflies, wild flowers etc
- Watercress line maybe? History of the railway.
- Photography
- A Cobbett walk, a George Sturt walk?
- Pubs and churches!
- Farnham's water supplies
- The footpaths of South Farnham area.

Why did you take part in the festival?

How likely are you to participate in next year's Walking Festival?

If you are interested in devising and leading a walk, please tell us about the theme.

- Ancient Farnham.
- I am happy to research "Royal Gadabout" regarding Aldershot's Royal connection to Queen Victoria but would not want to lead the walk from Farnham railway station, to Aldershot station, to gadabout Aldershot, Rowhill Nature reserve for the source of the Blackwater and Caesar's camp.

What did you enjoy most about the festival?

- Meeting new people, learning a little about places on the route.
- Realising what a beautiful county Surrey is and finding out more about Farnham and the environs and discovering places I never knew existed.
- How nice Farnham Town is and the close proximity of good dog walks.
- Good range of walks for all abilities
- Accessing the part of the RSPB reserve not usually open to the public. Other 'off limits' routes would be good.
- Easy to sign up; inclusive; good range of walks available
- The moths!
- Tea Tent at Gostrey!!

What could we improve for future years?

- The weather.. (ha) it rained quite hard and there were no butterflies.
- This year was just great. The only disappointment was some walks were full
- More walks in evenings and weekends for those who work
- Something to involve more young people. Maybe more for younger children - I have grandchildren.
- Slightly smaller group or more than one leader.
- An easier set of enrolment forms, as we found the current forms confusing.
- Application process a bit clunky.
- Have more. We would have liked to go on at least another three.
- While the walk should remain free to participate, donations can be encouraged to help maintain the walking trails.
- New locations for the walks
