

# LUNCH & LEARN

Join us for lunch and a discussion on  
better hearing. Topics will include:

The positive effects  
that improved hearing  
can have on your life

How to hear better  
in your favorite  
restaurants and other  
loud places

New technology that  
can keep you more  
connected with people  
and devices

You'll have the opportunity to hear [Name, title] from Unitron, one of the country's leading hearing aid manufacturers as he shares with us some of the latest advances in hearing aid technology. After the event, we will be on-hand to answer your questions as well as schedule a hearing screening for you.

Hearing aids do not restore natural hearing. Experiences may differ based on severity of hearing loss and the ability to adapt to amplification. Hearing screening is not a medical exam. Screening is to determine if you are a candidate for a hearing aid. 5383 12-16 © 2016 Unitron
