DISCUSSION WILL INCLUDE THE LATEST TRENDS IN HEARING HEALTHCARE:

- The positive effects that improved hearing can have on your life
- How to hear better in your favorite restaurants and other loud places
- New technology that can keep you more connected with people and devices like your smartphone and TV

You'll also have the opportunity to listen to [Name, title] from Unitron, one of the country's leading hearing aid manufacturers as [she/he] shows us some of the latest hearing aids and accessories.

free
