Fine Burr

Fine Burr Aluminium Handle fitted with N1 Light Duty Blade Suitable for deburring Steel, Aluminium and Plastic Handle manufactured from Aluminium Complete with pocket clip

Packed Weight and Dimensions

Code	Description	Weight g	W mm	H mm	L mm
TB 1000	Fine Burr	30	23	23	154

Instructions

Do not use heavy pressure when deburring as this will cause the blade to dig into the material and give an uneven finish Use light and even pressure which will allow the blade and handle to work together to remove the burr and leave a smooth finish on the component Blades should be handled carefully as they are sharp and can cut

Blades can break causing flying objects Sharp edges and flying objects can cause injury Users and bystanders should wear protective safety glasses Do not pry or bend blades Keep blades and sharp tools away from children Do not regrind blades as this will weaken the blade and cause breakage and possible injury

All Noga products meet the strict requirements of ISO 9001 and ISO 14001

N1 Light Duty Deburring Blade

Order Code	N1
Pack Reference	BN1010
Cutting	Right Hand
Works best on	Steel, Aluminium and Plastic
Used with Handle	NG-1, NG-3 + N Holder, Fine Burr

Packed Weight and Dimensions
