MIDWEEK MATCH REPORTS

Roger Allen writes

BOURNEMOUTH 1-2 PETERSFIELD TOWN

PETERSFIELD extended their current run of form which had seen them win the September Club of the Month award with a string of impressive victories. However, in a game where they had been dominant for 75 minutes, they were left clinging to victory as a previously toothless Poppies staged a fightback in the last quarter of an hour.

The Rams got off to an impressive start when Jordan Geddes was on the end of a free kick but his powerful shot flashed wide. Another free kick by Harry Bedford was tipped over by Poppies keeper James Mayo.

Petersfield suffered a setback after 10 minutes when they lost Will Essai to injury. However this opened the door for substitute Marvin Orepo who had an impressive game on the left wing.

It was no more than Petersfield deserved when they took the lead on 18 minutes. A free kick from the right was chested down to Matt LOW who lived up to his name by sending

a low cross shot into the far corner.

Poppies had an insipid first half and I counted only two efforts on goal both of which lacked any pace and direction. On the other hand Petersfield created a number of chances with the most notable being a Bedford free kick that crashed against the inside of a post and rebounded across goal with keeper, Mayo only a spectator.

HT 0-1

Poppies started slightly better in the second half but it was still the away team that were creating the chances. Before Petersfield extended their lead on 64 minutes, Poppies skipper Tyrone Carkeet did have one shot that went over the bar but shortly after the Rams were awarded a free kick around 25 metres out, level with the left edge of penalty area. Cameron Smith's kick wasn't cleared and Michael WRIGHT popped up in the middle of the goalmouth scramble to fire home.

Poppies cause wasn't helped when Rafael Santos paid a visit to the sin bin. In the time he was off Bedford hit a post and Geddes had a shot deflected wide.

Then on 75 minutes, out of the blue, the game took an about turn as Poppies scored. Jamie TRIMBLE received a loose ball just inside the penalty area and fired a low shot into the net.

This was the signal for Poppies to stage a fightback which nearly saw them take the game to extra time as they threw men forward for the equaliser. Petersfield's defence started to drop deeper and with no outlet up front they had to endure a period of sustained pressure up to the final whistle. In the end they managed to hold out to set up a home tie for themselves in the next round.

ANDOVER NEW STREET 1-6 BROCKENHURST

THERE have been a number of occasions in the last couple of seasons when New Street have either beaten or seriously ruffled the feathers of more senior opposition in various Cup Competitions but this eventually turned out to be very much the opposite. In mitigation the home side were missing a number of players, including most of their first choice defence, but Brockenhurst's line up was also missing one or two of the usual names.

The game kicked off on the dot and two early corners for the visitors came to nothing before New Street conjured thoughts of another Cup upset by scoring after just four minutes. Callum Sweeney won the ball in midfield and his pass through a defence suddenly caught square allowed Ilyas WARSHOW to coolly slot the ball past the advancing goalkeeper. A Shane Lock free kick came close to adding a second as it grazed the angle of post and bar but the blue shirted visitors were coming more and more into the game and levelled the scores after eighteen minutes. Arshia Sheibatzaadeh, whose pace was a constant source of danger on the left flank, won a corner and Noel McCarthy-Gardiner's kick was headed powerfully home by Zak PICKETT.

A long and powerful run and square pass by Rafa Ramos left McCarthy-Gardiner free but he slid the ball past goalkeeper and post as the visitors continued to dominate possession though they did escape in a manner of speaking, when goalkeeper Matty Taylor got himself in to and out of trouble when dallying with the ball on his own goal line, before their pressure told on the half hour mark. Again Sheibatzaadeh was the provider with his speed finding him space for a low cross that was neatly turned past home keeper Chris Wing by Mitchell SPEECHLEY-PRICE.

A Sweeney free kick was wide at the other end and the pacy Sheibatzaadeh broke free again with Wing's legs defying him at the last before Brockenhurst scored their third in the final minutes of the half. As with the first goal it came from a corner with RAMOS outjumping defence and goalkeeper to find the back of the net. There was time left for Sweeney to collect a booking for a challenge before the tea came with the Badgers two goals to the good.

HT 1-3

Street started the second half more on the front foot and after Lock had collected a harsh booking for kicking the ball away – it looked very much instinctive rather than pre-meditated – Jazz Beavis created a shooting opportunity for Max Allen but keeper Taylor was equal to the effort and was then at full stretch to hold a Sweeney snapshot taken quickly on the turn. Back came the visitors with substitute Leon Carbayo-Borges pulling his shot across the face of goal and a free kick some five yards outside the D being blasted wastefully high over the crossbar.

Wing acrobatically palmed away a dangerous corner and Speechley-Price was wide before two goals in as many minutes effectively finished a contest that was to all affects already over. Ramos sent McCARTHY-GARDINER through to slide the ball past the stranded Wing in the home goal before RAMOS himself, showing pace, power and control scored number five. Another effort from McCarthy-Gardiner was turned around the post before as the game moved into stoppage time RAMOS completed his hat trick with a shot on the turn from the edge of the area. Game, "sett" and match to the Badgers.

New Street will return to their Division One promotion quest while Brockenhurst showed just why they are so high in the Premier Division table and in Ramos they certainly have a find. He was outstanding in a game well refereed and played to the backdrop of constant helicopter movement over and around the area.

FT 1-6

Mike Robins writes

DOWNTON 5-1 PEWSEY VALE

KEENLY contested match at Wick Lane this evening with both sides finding the net in the first 45 minutes, before the hosts eventually managed to break down a stubborn visiting defence. The first chance came the way of the visitors when James Clark fell and handled the ball but the resultant free kick didn't cause an issue initially but the ball wasn't cleared and Josef Hornbogen tried his luck with an overhead kick that was just wide of the mark. However it wasn't long before the breakthrough came.

An initial shot from Tom MOSELEY hit the upright and Sam Tuttle in the Pewsey goal could only divert the ball back into his path for what was a simple goal. The Robins had a good chance to double their lead moments later bursting through before Tuttle was able to deflect the effort away to safety.

A header from Sam Howe came close and Laurence Larbi, who was a thorn in the visitors' defence for most of the first half, combined well with Moseley before Oliver England came close to a deserved equaliser for Vale.

However the hosts hit back hard with Tuttle by far the busier of the two keepers. With around three minutes of the half left, former Robins Ross BENTALL found the net with a header in a crowded goal area. In the dying moments Downton's Diego Romero had a shot on the turn that almost restored the lead but the shot hit the base of the upright.

HT 1-1

Five minutes after the resumption, Romero miscued a strike that fell to Larbi but his shot, although finding the net was ruled out correctly for offside. It wasn't long though before the Robins were back in front. MOSELEY got his second when converting from around six yards after a mazy run and delivery from Romero. From thereon in, it was predominantly one-way traffic with the visitors on the back foot for long spells.

Some rather eccentric goal keeping by Ernie Osei eventually saw the ball played up towards Moseley, who was perhaps unlucky not to net for his hat trick, and just after the hour mark it was three. Sub Liam DANCE had a close range header from a Romero free kick at the Sports Centre end to extend the lead to 3-1.

The visitors appeared to tire and a rare mistake from Tuttle allowed in another substitute, Josh HEWSON, for an easy goal from close range.

The game was all but over before LARBI hit what was arguably the best of the night, lashing it home from around 25 yards to see the points remain at Wick Lane.

FT 5-1

Paul Harris writes

ROMSEY TOWN 1-3 PLYMOUTH PARKWAY

Comfortable in the end for the visitors, but the home team gave their all and looked dangerous at times, particularly in the first half.

The home team started well and James Clifton twisted his way early on into a shooting position, but his effort went wide. A good ball slipped Parkway's Adam Carter through but keeper Philpott came out well to block. Aaron Bentley then headed wide from the corner. Clifton then played in Indrit Elezi who rounded the keeper but visiting defender Milton got back superbly to clear off the line. Mikey Williams then curled a shot over for Parkway and Carter showed good feet to get a shot in that was saved by Charlie Philpott. However, the keeper could do nothing on 29 minutes as a lovely three-man move saw a cross from the left touched in by the sliding CARTER to give the visitors the lead. They produced another good move soon after that looked offside, but Philpott was able to save the shot from Billy Palfrey. Near to the break a long ball was well controlled by Williams and his shot from an angle was well saved at the near post.

HT 0-1

Attacks at both ends after the restart, before a good cross from the right saw Elezi unable to get his feet right at the far post to control the ball. After a little while the visitors began to gain control of the match and produced several chances. Bentley again headed over from a corner, and Williams headed the ball over when totally unmarked. But on 62 minutes a free kick was headed back across the goal by Rob Farkins (looked like climbing) for CARTER to squat down and head his side's second goal.

More chances as Palfrey shot wide and Philpott made a good double save. But on 69 minutes a long ball was well controlled by WILLIAMS and this time he found a good finish to make it safe for his side. He could have had more as it was his shot hit the underside of the bar and out, and he was twice denied by good saves from Philpott.

Romsey kept battling and sub Jack Darnton forced a save, then they got a penalty in added on time as a ball through for Clifton saw him fall under a challenge. Geoff DUNN coolly slotted home the penalty to give Romsey a consolation, but it was the visitors who go into the next round, a trip to Brockenhurst.

FT 1-3

LEAGUE NEWS

Sorry to report that Full Time has again recently suffered an issue where Primary Contacts were affected and close to half had to be reset. Some notifications will have gone out with the wrong contacts on but hopefully all is now back on track except for one club whose Full Time contacts were terminated on Wednesday. The FA have been informed of the problem.

We'll finish this section though with some good news as regards Ian Hoare, he is now recuperating at the Lymington & New Forest Hospital.

MIDWEEK ROUNDUP

Three Buildbase FA Vase ties on Tuesday resulting in one win, one draw and one defeat for the Sydenhams League. There was always going to be a win since one tie involved Bournemouth hosting Petersfield and on the night the Division One side came out on top, winning by the odd goal in three. Matt Low and Michael

Wright scored the goals as the Rams earned themselves a home tie with Roman Glass St George in the next round and Bournemouth's struggles this season continued.

Horndean returned to Raynes Park Vale, Saturday's tie having been abandoned, and lived to fight again after a two all draw. Connor Duffin and Alfie Lis scored the goals in normal time and thirty extra minutes left the scoreline unaltered and a replay to follow at Five Heads Park next week.

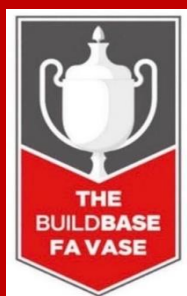

In the third tie Tadley found a midweek trip to the outskirts of Bristol too much as Bitton scored three times in each half to win 6-1 with Tadley's consolation goal coming from Brett Denham.

One League fixture in Division One where Downton took over top spot in the table with a 5-1 win over Pewsey Vale. Tom Moseley led the way with two goals as the visitors lost on the road for the sixth consecutive game. The rest of the evening was devoted to the First Round of the Russell-Cotes Cup though the ties between Moneyfields and Fawley and Eversley & California and Bemerton Heath both fell victim to the weather. Alton needed penalties to overcome Hampshire Premier League Bush Hill after the sides has shared four goals in normal time and Nathan Lynch scored twice as Hamble Club went through 4-1 at Totton & Eling's expense. The highest scorers of the evening were Brockenhurst who won 6-1 at Andover New Street after the home side has scored first – a hat trick for Rafael Ramos - while Lymington's Dom Falco scored the only goal of the game at New Milton.

The remaining two ties both finished with best of five score lines with Hythe & Dibden beating HPFL side Stockbridge and Fleet Town winning at Ringwood helped by two goals from Billy Oram. Interesting that the attendances reported on the evening for the Russell-Cotes ties were lower than the usual League figures which for some reason always seems the case – though the attendance at New Street was only one less than that at Winchester for their Buildbase FA Trophy Tie. Football followers can be, and are entitled to be, fickle at times.

Not a very successful Wednesday with four games scheduled, two of which were postponed and one abandoned. The Russell-Cotes tie at Portchester and the Premier Division match between Baffins Milton Rovers and Christchurch fell foul of the weather and Follands' Russell-Cotes meeting with AFC Stoneham was abandoned in the second half because of floodlight problems. Friday also saw the postponement of the game between Totton & Eling and Romsey Town with the wet weather to blame this time.

To round off midweek though, one game completed was at Romsey where Western League high-fliers Plymouth Parkway, complete with considerable support for a midweek match some 150 miles from home, proved too strong for the home side in the Buildbase FA Vase, winning by three goals to one. Geoff Dunn with a penalty scored Romsey's consolation goal. The results in the week have this effect on the 2nd Round...

Second Round [fixtures involving our teams only]-

Baffins Milton Rovers v Bradford Town
Bovey Tracey or Abingdon United (their match was postponed yesterday afternoon) v Hamworthy United
Brockenhurst v Plymouth Parkway
Christchurch v Badshot Lea
Petersfield Town v Roman Glass St George
Raynes Park Vale or Horndean (who replay this coming Tuesday) v Sutton Common Rovers
Warminster Town v AFC Portchester

Buildbase FA Vase 2019/20

And with talk of that, here is a brief look at the opposition our Clubs are facing, or as this is written, could be facing in the Second Round of the Buildbase FA Vase following last Monday's Draw...

SUTTON COMMON ROVERS

Will visit Horndean should Horndean win Tuesday's replay

Formerly known as Mole Valley SCR and members of the Combined Counties League Premier Division. They now play their home matches at Sutton United's Gander Green Lane Ground having previously played in both Cobham and Leatherhead.

BADSHOT LEA

Away to Christchurch

Moved into a new Ground at Wrecclesham near Farnham this season after many years of ground sharing at Godalming, Ash and Camberley. Also members of the Combined Counties Premier Division.

ROMAN GLASS ST GEORGE

Away to Petersfield

In their second season in the Western League Premier Division and they play at the headquarters of the Gloucestershire FA at Almondsbury which is very adjacent to the junction of the M4 and M5 motorways.

BOVEY TRACEY/ABINGDON UNITED

The winners of this delayed First Round tie that was again postponed yesterday last will host Hamworthy United.

Bovey Tracey is known as the Gateway to Dartmoor and their football Club play in the East Division of the Southern Peninsula League and at the time of writing are in second place.

Abingdon United were relegated last season from the Hellenic League Premier to Division One East, yet seven seasons ago they were members of the Southern League

On paper this should be a victory for the Devon Club which will mean a 180 mile round trip for Hamworthy – but this is Cup Football !

BRADFORD TOWN

Away to Baffins Milton Rovers

Long-time members of the Western League with a good Vase record and often the scourge of our League clubs. This is a reversal of last season's meeting in the same competition when Baffins were victorious at Bradford's Ground near Trowbridge.

WARMINSTER TOWN

Home to AFC Portchester

As former members of the Wessex League they need no introduction and since returning to the Western League they have played entirely in Division One.

PLYMOUTH PARKWAY

Away to Brockenhurst

Riding high in the Western League Premier division and a Club with ambition to climb higher. Enjoy strong support both home and away and this could be the tie of the Round as far as our League is concerned.

CLUB NEWS

Former **Team Solent** goalkeeper Bradley Banda was on the bench for Gibraltar's UEFA European Championship Qualifying game against Georgia earlier this week. He didn't get on. Georgia won by the odd goal in five despite a good effort from the Gibraltar side, who were two down at the break. They're perhaps not surprisingly rock bottom of Group D, with Ireland at the top of the group.

Ed Bastick made his 150th appearance for **Portland United** last week, whilst at Grigg Lane, other players approaching the century include Noel McCarthy-Gardiner and Mitchell Speechley-Price for **Brockenhurst**.

There's a handful of new players added to the **Bournemouth** squad, with Shane Sheridan, Scott Walker, Fabio Manuel and Levi Hernandez added to the Victoria Park squad.

John Simpkins has assumed the temporary role of Manager at **East Cowes Victoria** after the resignation in the week of Steve Brougham.

On the transfer front, Tom Cooper has crossed the conurbation from Christchurch to **Hamworthy United**. Also arriving at the Specsavers County Ground is former Poppies midfielder Fawzi Saadi and Christchurch Committee man Mike Legg, who will be working behind the scenes. Meanwhile in the departures lounge, we hear that Matt Steer has re-joined **Downton**

Congratulations go to **AFC Portchester** in doing the double in September in winning both monthly awards in the Premier Division. Not only were they Club of the Month but they also won the Kappa Respect award.

During the month the club was one of two in the Division (the other was Hamble Club) that had a 100% record in the League winning all their three games but Portchester also had wins in the Buildbase FA Vase and

SYDENHAMS FOOTBALL LEAGUE NEWS 2019/20 EDITION NUMBER 16

Portsmouth Senior Cup. The awards will be presented by League Officers at their game with Fleet Town on October 26th which coincides with the opening of their new boardroom.

In Division One the remarkable improvement in form of **Petersfield Town** was recognised by the Club of the Month award for that Division. Not only did they have a 100% League record in the League but they also had wins in the Buildbase FA Vase and the League Cup. This award is to be presented by League Treasurer, Paul Scoble, before their home Russell-Cotes Cup game on Tuesday October 22nd.

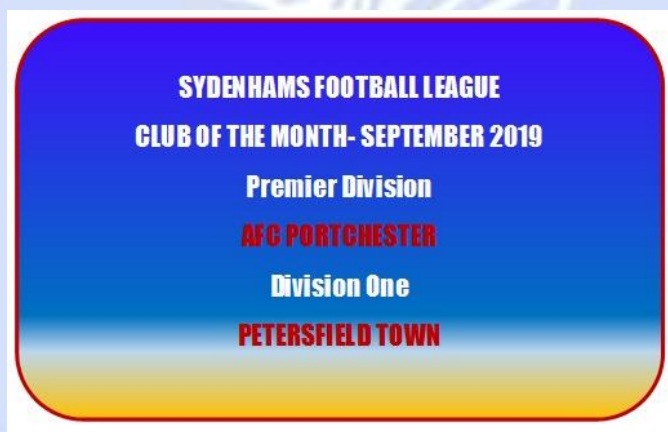

The Kappa award for Division One was won by **Whitchurch United** and their award will also be made next midweek by Greg Dickson. The Longmeadow club have also been busy adding to their squad by securing the signature of Malin Bowman from Totton & Eling and on dual registration George Bishop, a Winchester City Development squad

player.

Tadley Calleva have captured the signature of Callum Sweeney, who has joined from Andover New Street, whilst back in Salisbury, Tyler Brockway has linked up with **Laverstock & Ford** and Jack Vallis has returned to **Shaftesbury** both after spells with Amesbury Town. Ryan Fuller has left Lymington Town to become a Magpie at **Alresford Town**.

BULGARIA- RACISM AND DISCRIMINATION

The Football Association and Hampshire FA are aware of the scenes that took place at Sofia during a UEFA Qualifying international game last week between Bulgaria and England. Hampshire FA would like to reiterate its stance against racism and all forms of discrimination. Unfortunately, there are instances of such behaviour in grassroots football. It is important that people are aware of the reporting process within our county in order to eliminate such behaviours from the game.

The Sydenhams League fully supports this initiative and will not tolerate discrimination, and we would urge anyone who witnesses such behaviour to report it on the appropriate form which can be found in the link below.

<http://www.hampshirefa.com/news/2019/oct/15/hampshire-fa-stands-against-discrimination>

We are aware that a number of instances of discrimination have been reported this season, this vile behaviour must be stopped, it is not welcome.

Please support this initiative by taking action when you witness discrimination behaviour. Should you have any doubts, please contact Bob Purkiss the league Race Relations and Youth Protection Officer or Nick Spencer the league Vice Chairman.

NEIGHBOURHOOD WATCH

Only space for the top threes this week.

Hamworthy Recreation made it 11 wins from 11 as they defeated Dorchester Sports 7-2 at Magna Road to stay nine points clear at the top over Gillingham Town who made home advantage count with a 4-1 win over Sherborne Town's second string. Balti Sports still remain unbeaten this season sharing the spoils at one apiece against Bournemouth Sports in Weymouth.

It's as you were at the top in Hampshire, with Infinity rattling in nine without reply against Liss. Bush Hill won 3-1 at Paulsgrove and Fleetlands won by the best of three at Clanfield.

Wroughton extend their lead in Wiltshire courtesy of an 11-1 win over basement dwellers Pewsey Vale Development, Corsham could only share two goals and the points at Kintbury, whilst Purton lost ground with a 3-1 reverse against Royal Wootton Bassett Town's development side.

Meanwhile, in the 4th Qualifying Round of the Emirates FA Cup the two remaining former member clubs Eastleigh and Poole Town find themselves in the hat for the 1st Round Proper, the draw scheduled for tomorrow we understand, earning draws on the road. Eastleigh drew a blank at Welling and the Dolphins shared two goals against Hayes & Yeading United, who notched a leveller deep into added on time.

WEEKEND MATCH REPORTS

Roger Allen writes

HAMWORTHY UNITED 3-2 BROCKENHURST

Brockenhurst will count themselves unlucky to slip to their second league defeat after they had held the lead twice. However this is not to take anything away from Hamworthy who are making it back to form after three consecutive league defeats.

The game was entertaining throughout and was well handled by an experienced referee in Martin Bloor. It set off at a cracking pace and it was the away side that set the early running with Will Tickle flashing a shot wide. The same player had an even better chance shortly after when set up by Mitchell Speechley-Price and Rafa Ramos but Shane Cooper in the home goal produced a fine save.

At the other end Ash Pope and Ben Kemplen both went close for the Hammers. Finally the breakthrough came on 33 minutes when Brock's Tom Sykes sent over a long cross from the left which Cooper opted to punch. The ball fell kindly to TICKLE's left foot and he returned the ball with interest, low into the net.

The rest of the chances in the half fell to Hamworthy as Lee Francis arrived late for a corner to head over then Cameron Beard shot wide when well-placed and finally Pope brought a good save out of Brock keeper, Matty Taylor.

HT 0-1

Early in the second half Pope had a good chance to equalise but his shot hit a post. However the Hammers were back on level terms on 52 minutes though the manner of the goal was somewhat fortuitous. A cross from Pope was sliced into his own net by Ronan Moore for an OWN GOAL.

Shortly after the same player experienced the lows then the highs that football brings. On the hour a Tickle free kick was not cleared and MOORE produced a spectacular overhead kick from the edge of the goal area which flashed past Cooper. It's a fair guess that the defender will not score a better goal in his career.

Shortly after the game swung in the other direction as Zak Pickett, recently on as a substitute, went to ground and committed a foul just outside Brock's penalty area. Fawzi SAADI was making his Hamworthy debut and this was all set up for his famed left foot. He duly delivered sending the ball round the wall and into the top corner giving Taylor no chance.

The game was now stretched as both sides went for the winner which came in the 83rd minute. Again Saadi was involved as he advanced through midfield to unleash a low shot which Taylor could only push away. Eddie HODGE was first to the loose ball and score with a low shot.

Brock tried hard to force the equaliser but it was not to be. A draw would have been a fair reflection of the game which was probably the best I have seen this season so far.

FT 3-2

PETERSFIELD TOWN 2-1 DOWNTON

Downton started the day as leaders of Division One but following this defeat at the hands of a Petersfield side who simply cannot stop winning at present, they surrendered the position to relatively near neighbours Bemerton Heath. That said, and the result was right on the day, it was a game that will live for the minimum amount of time in peoples' memories and bought little credit to either side or, sadly, the Match Officials. Whilst the pitch did not help – given the recent weather it was, in racing parlance “good to soft” – the game was never nasty but full of whingeing, moaning, players rolling around when challenged and far, far too much whistle.

The home side made the better start with a cross missed by all in the six yard box and a free kick in a dangerous position too high, before Downton responded with a free kick of their own from distance which had home goalkeeper Matt Petts back pedalling rapidly to turn the ball over the bar. Visiting keeper Ernie Osei left his area for a through ball he was never going to reach but Matt Low, forced wide, sent his effort from distance in to the side netting.

Downton striker Tom Moseley fell awkwardly, and in some pain, with nobody near him but continued after some two or three minutes delay and on the re-start the home side took the lead. Will Webb worked his way along the by line and drove the ball low and hard at the near post and it went in to the net off the goalkeeper. Petersfield may award the goal to Webb – it is a matter of opinion – but to this watcher the ball would have not gone over the line without the goalkeeper's assistance so it is an OWN GOAL.

Osei then found himself in no mans land again but was rescued by one of his defenders before his side won two corners in quick succession with Laurence Larbi's shot blocked on the line in a goalmouth scramble. Low was twice denied by Osei, the second time in a one on one situation, before the first caution of the afternoon came for a sliding tackle in which contact with the player seemed minimal. Moseley gave up his unequal struggle following his fall and limped off to be replaced by Josh Hewson whose first involvement in the game was a challenge for a bouncing ball for which he was duly cautioned and the half finished with Osei dealing well with a corner under considerable pressure.

HT 1-0

Both sides came close on the re-start with Low's shot saved at the second attempt and Hewson firing in to the side netting before a long, long conversation between Referee and Assistant resulted in a booking for a player of each side. Why was difficult to discern. Petersfield twice felt hard done by when promising attacks were halted by the whistle when advantage was, in their view, a better option. Osei clung on to a cross that he did well to reach and Webb was only inches wide before the home side doubled their lead. Low sent Olly Kershaw free on the left and his cross was missed by all apart from substitute Marvin OREPO at the far post who scored with his first touch of the ball.

Downton lost a player to the sin bin for kicking the ball away which the referee deemed as dissent – a similar action in a game in midweek resulted in a caution – and after yet another yellow card Downton pulled a goal back as the ball was worked down the right flank and Diego Romero's cross turned past Petts by Jamie WATERS. Osei escaped with another journey to the touchline before a bad challenge on the halfway line led to an outbreak of handbags that was virtually over as soon as it started. This time the Referee had a lengthy conversation with his other Assistant which led to two more cautions – one rightly deserved for a player who had run the best part of fifty yards to get involved – but strangely no action was taken against the player who made the challenge, which perhaps summed up the afternoon.

The game then coasted to a close and the three points stayed in Petersfield.

WEEK TWELVE ROUND UP

Happily, given the weather during the week, Saturday was a vast improvement though the change came too late to prevent the postponement of Fridays Division One game between Totton & Eling and Romsey whilst Saturdays Premier Division fixture between Baffins Milton Rovers and leaders Alresford was also lost. Postponement for a different reason at New Milton where flooded dressing rooms after a Pump broke meant the game could not be played.

With Alresford out of action a chance for their rivals to close the gap, a chance that was not really taken. Brockenhurst were ahead at the break but went down by the odd goal in five at Hamworthy, a second win for new Manager Tim Sills, and AFC Portchester were almost inevitably held to a draw at Hamble Club, inevitably as each Club had won their last five fixtures. Usual scorers Nathan Lynch and Dan Wooden were on the scoresheet in the two all draw.

Horndean however did improve their position as they warmed up for Tuesday's Vase replay with a comprehensive 6-1 win at Cowes Sports led by a Sammy Kessack hat trick. Fareham secured their first win in five as they halted Fleet's recent good run with an impressive 3-0 win at Calthorpe Park – three different scorers, the Josh Benfield header (*pictured left courtesy of Paul Proctor*) secured their first win in 46 years at Fleet – and Portland made it three wins in a row with a best of three goal victory over Bashley. A welcome win for Tadley after their midweek loss in the Vase with a George Farrelly hat trick giving them the points

against AFC Stoneham which takes us to the bottom three.

Bournemouth still cannot make any headway, going down 3-0 at home to Lymington Town, while Solent University also conceded three at Shaftesbury, scoring just once in reply. Finally Amesbury remain rooted to the bottom after a 4-0 home defeat by Christchurch – four different scorers for the Hurn Bridge side in what was their third win in a row, and their third convincing win in three visits to Bonnymead this term.

The congestion at the top of Division One was not eased by results on the day but we will start this week at the other end of the table where both East Cowes Vics and Pewsey Vale recorded their first wins of the campaign and both away from home. Two goals from Joe Butcher helped Vics to an impressive 3-1 win at Alton while Ross Bentall and Connor Marsden scored the vital goals for Pewsey in their 2-1 win at Verwood. Back to the top and Downton, who had taken over first place in midweek, went down 2-1 at Petersfield whose winning run shows no sign of abating and had to concede the number one spot to Wiltshire neighbours Bemerton Heath Harlequins, who were in the goals again with a 5-2 defeat of Whitchurch United. Justin Bennett claimed a hat trick and Kane O'Keefe the other two as they topped the forty goal mark in the League for the season.

Neither Hythe & Dibden or Andover New Street were in action so US Portsmouth moved on to the tails of the leading bunch with a hard fought 3-2 win at Follands for whom Connor Rowe scored twice.

A first half Josh Bertie goal gave the improving Andover Town three more points at home to Laverstock & Ford in front of the largest attendance of the day across the League, though sadly we understand there was a rather unsavoury ending to the game, and finally there was joy for Ringwood as they ended a run of eight games without a win by defeating Fawley by three goals to two with Ryan Hamm scoring twice.

So two thirds of the way through October and Alresford still lead the Premier Division by five points whilst Bemerton lead Downton on goal difference in Division One with still just three points covering the top seven sides in the table. Thanks to all for getting so many games played after a decidedly wet week.
