

DMVAC – 2019/20 Membership Fee Proposal

Proposal from the DMVAC Committee

The proposal before the AGM on 21 March from the DMVAC Committee is to retain the current membership fee structure and hold the fees at the levels agreed for 2018/19.

As outlined in the Club constitution, subscriptions must be paid for the current year before the member can compete for the club (except where the Committee choose to waive this rule), be eligible to compete in club championships, participate in club training sessions or eligible to vote at general meetings. It is expected that members renewing their membership do so by the end of April.

The proposed fees for 2019/20 are outlined below.

When considering the appropriate membership grade, with the exception of membership for u11s, the member's age / education status on the first day of the membership year (1 April 2019) shall be applied.

Full Year Membership

The full year membership year runs from 1 April 2019 – 31 March 2020.

- Individual membership – seniors (athletes aged 18 and above): £55 including EA licence
- Individual membership – students (athletes aged 18 and above, still in full time education): £40 including EA licence
- Individual membership – juniors (athletes under 18): £40 including EA licence
- Individual membership – junior u11s (under 11 on 1 September 2019): £25 (excluding EA licence as it is not required for U11s to compete)

- Family membership (i.e. 2 adults + children living at the same address): £125 including EA licences
- Second claim membership: £20 (NB: excludes EA licence as this will already have been obtained through first claim club)
- Designated coaches: zero fee; EA licence included as recognition of significant contribution to the success of the club (NB: this does not include Running Leaders or Coaching Assistants)

Mid-year membership

For individual members joining after 1 October 2019, the individual first-claim membership fees will be reduced by £10 vs the annual fee to:

- Individual membership - seniors: £45 including EA licence
- Individual membership – students : £30 including EA licence
- Individual membership – juniors: £30 including EA licence
- Individual membership – junior u11s £15 (excluding EA licence)

Decision requested

The Committee request that the members agree the proposal proposed by the Committee to take effect for the new membership year from 1 April 2019.
