### **'Surviving Summer' Family Resource Conference**

Friday 19<sup>th</sup> July 2019 from 09:30 to 13:30, Keighley Civic Hall, North Street, Keighley, BD21 3RZ  
Registration from 9:30 for a 10:00 start.

Due to popular demand following the sell-out of 'Surviving Summer' conference in City Hall on 13th June, we are holding a second identical conference in Keighley to give more people the chance to participate on 19th July.

'Surviving Summer' is a free conference for community, voluntary and statutory practitioners to come together for an information and knowledge exchange aimed at supporting our more vulnerable families to thrive over the summer holidays.

As the summer holidays approach, for thousands of local families the six-week school break can be marred by acute financial stress and the threat of holiday hunger.

The conference will be opened by the Lord Mayor Councillor Doreen Lee with guest speakers Cathy Henwood from Healthy Holidays, giving the national and local picture of holiday provision and family support. The event will be closed by John Grogan MP for Keighley.

We are from the Courses Team, which is part of the My Wellbeing College, previously IAPT. My Wellbeing College is part of the NHS in Bradford and we provide various therapies to people to target symptoms of low mood, anxiety & panic. We offer courses across Bradford at various times and locations (all found on our website) to introduce techniques to help people manage their mental health. The referral criteria is to be aged 16+ and to be registered with a Bradford GP.

## **How has your organisation changed? –**

We have run courses as a Trust for several years, however, last year as a service we developed a team to focus on the marketing, setting up and delivery of the courses – the aim being that the courses would run continuously, over several locations and times to increase accessibility. The two main courses are Stress Control and Living Life to the Full. Both are delivered in an educational format; these courses are NOT group therapy.

## **What are you most proud of about your organisation –**

People who have attended courses and who have become involved with My Wellbeing College benefit from what they have learnt. We have made this service accessible to all – it used to be GP referral only, now people can self-refer, either online or by calling us direct 0300 555 555 1 We are also proud of our engagement within the community i.e. with schools, charities, other organisations.

## **What is your greatest challenge in the industry and how could others help you overcome it –**

Making our service(s) known within the community and what we offer as well as making sure people understand that our courses (Stress Control and Living Life to the Full) are educational sessions not group therapy.

## **One piece of advice for other organisations -**

For organisations to understand what is available for wellbeing, also for everyone to aim to be kind, and go that extra mile.

## **Do you have anything you would like to let others know about?**

We have courses running in the community at different times and locations. Check out our [website](http://bmywellbeingcollege.nhs.uk/) to learn about what is happening in your area.
