

Royal

Royal is for the jet-setter with a taste for the finest things in life. Royal features a luxurious Gold cap on an Edison-style borosilicate glass bulb with our signature aluminum ring and star-shaped filament comprised of seven LEDs. Paired with a sustainably sourced, rich Oak base, this model is fit for royalty.

FLYTE Royal uses an energy efficient LED rated to last about 50,000 hours. That's equivalent to 12 hours of usage a day for 11 years! FLYTE Royal is designed in Sweden.

Includes Oak base, light bulb with Gold cap and AC Adapter.

Technical Details

Lifetime	50 000 Hours
Efficiency	16 lm/W
Max Brightness	60 Lumens
Power Adapter	15 Volts
Global Voltage	100 - 240V
Compatible Usage	Glass cover Indoor Use Only
Weight of Base	500 grams
Base Dimensions	126mm x 126mm x 30mm
