## **Hero's STEAM Engine Policies**

- Age 18 and under groups must have minimum of 2 Hero's Staff present or must be accompanied by an adult unless attending a class. We follow "Safety Wise" procedures for youth 18 and under.
- In house training & checkout on all equipment prior to use
- You are responsible for the safe operation of equipment. If you don't know how, ASK.
- Individuals provide their own materials & purchase laser and 3D printer supplies from Hero's STEAM Engine
- Be respectful of others time and space
- Leave any space cleaner than you found it
- Report any broken or unsafe equipment
- Bring a guest for \$5 a visit
- Consulting, Design and Ideation services are available. Please Enquire.
