1. QM RVP Vacancy

- Bylaws state ' Regional Vice Presidents and Trustees – In the event that any vacancy arises prior to the next Convention (2018), the Local Union Executive Board shall, by vote, determine how that vacancy is to be filled.'
- Time may be short until next election but there is Bargaining before next Election and QM needs representation at the table
- Jim suggests filling.
- Majority concurs

- Election – Jan 14-18
- Check with Scott to make sure he is available

5. Christine's Laptop

- Christine opted to return rather than paying as per Bylaws
- Tara has it currently
- Waiting for receipt to determine the value
- Greg will spec it out
- Adding how to dispose of it to the Jan LUEB Agenda

6. Printing of Collective Agreement

- Awaiting final copy from Nav
- We pay half the cost as per Collective Agreement
 - Jim to question Nav to see their thoughts on printing
- Cost: 1485 + tax/shipping for 300 copies

- Consensus is to print a limited run for the units to have a copy if Nav agrees to cover half
