Union Name

A proposal to add a name to our local has been approved. This initiative has been taken in order to give our local an identity that it never had, to create a sense of belonging and to align ourselves with the rest of the 7 different locals and Unions representing NAVCANADA's employees.

As we did not receive any additional proposals for a Local Union name, the 4 names that will be submitted for you to vote on are:

- ANSS – Air Navigation Support Specialists | STNA – Spécialistes techniques de la navigation aérienne
 - anss-stna.ca available as a website
 - anss-stna.org available as a website
 - anss-stna.com available as a website
- ASOC – Aviation Specialists Organization of Canada | OSAC – Organisation des spécialistes de l'aviation du Canada
 - asoc-osac.ca available as a website
 - asoc-osac.org available as a website
 - asoc-osac.com available as a website
- CANSA – Canadian Air Navigation Specialists Association | ASNAC – Association des spécialistes de la navigation aérienne du Canada
 - cansa-ansac.ca available as a website
 - cansa-ansac.org available as a website
 - cansa-ansac.com available as a website
- ANSOC – Air Navigation Specialists Organization of Canada | OSNAC – Organisation des spécialistes de la navigation aérienne du Canada
 - ansoc.ca available as a website
 - ansoc.org available as a website
 - ansoc-osnac.ca available as a website
 - ansoc-osnac.org available as a website
 - ansoc-osnac.com available as a website

The next step will be a vote to be held Dec 3 till Dec 14th 5 PM EST. You will receive a link from the Elections Chair.

After we chose our Local Union name, we will be searching for your ideas on a new Local Logo to be associated with our new name.

In Solidarity,

James Walker
President Unifor 1016
