LUEB Meeting

The LUEB met via conference call on August 29, 2018. The main topic of discussion was filling the duties that were performed by the previous Executive Vice President. The Board decided that since the Executive Vice President position will not be funded for the next year because of budgetary reasons, to instead elect a Regional Vice President as an Assistant to the Local Union Executive Board as per Section 5.4 of our Bylaws. The Board elected Eric Titus to the position of Assistant to the Local Union Executive Board. Minutes from this meeting are available from your regional representative.

In Solidarity,

James Walker
President Unifor 1016
