

FREE MEALS ALL SUMMER LONG!

The Summer Eats Minnesota app helps kids up to age 18 locate FREE healthy delicious meals nearby.

How it works:

1. Download the free Summer Eats Minnesota app to your cell phone.
2. Use the mobile app to find nearest site serving meals by GPS.
3. Kids just show up and eat with no registration required.

There are free serving sites across the state at parks, recreation centers, community centers, libraries, and schools. The app provides location, directions to the site and menu options. It also shows you what days and times meals are served. Adding more serving sites daily starting June 10th so watch for updates!

Kids just show up and eat. | www.summereatsmn.org
