

Five Senses

Book

Five Senses, Heron Books

Other Materials

FOR STUDENT SKETCHBOOK:

- plain paper
- colored construction paper
- pencil
- colored pencils or markers

SIGHT ACTIVITY:

- mirror

SOUND ACTIVITY:

- 5 small plastic opaque containers (suggest 2-4 oz.), or items can be placed in a fabric bag
- assorted small objects in each container such as: pebbles, coins, paper clips, erasers (or similar)
- word card for each object

TASTE ACTIVITY:

- raisin (or similar sweet food)
- lemon (or similar sour food)
- baker's chocolate (or similar bitter food)

- salt (or similar salty food)
- small containers (suggest 2-4 oz. opaque)

SMELL ACTIVITIES:

- small opaque containers for each scent (suggest 2-4 oz.) with holes for smelling
- common fragrant items such as cinnamon, coffee, onion, flower-scented lotion (or similar)
- chopped onion (or similar food)
- raisins (or similar sweet food)
- bits of fruit and vegetables
- premade word cards with above food labeled on each, individually

TOUCH ACTIVITIES

- container for various tactile objects
- 10 different objects representing textures: rough/smooth, soft/hard, prickly/fuzzy
- small bag for tactile guessing game
