How can MEDIAL help?

The screenshot displays the 'Caption Permissions' interface within the MEDIAL system. On the left, a green sidebar contains four icons and labels: 'Overview' (four arrows), 'Profiles' (person icon), 'Permissions' (lock icon), and 'Extract' (bar chart icon). The main content area has a dark header with the title 'Caption Permissions' and a help icon. Below the header, the 'Captions Profile' section shows a dropdown menu set to 'Captions UK English'. The 'Access Level' section features a 'Request Captions' button. The interface is divided into two columns: 'Available' and 'Selected'. The 'Available' column includes a search bar, checkboxes for 'Users' and 'Groups' (both checked), and a list of entities: LTI Instructors, LTI Students, Biology, and CAF, each with an unchecked checkbox. The 'Selected' column also has a search bar and checkboxes for 'Users' (unchecked) and 'Groups' (checked), but it is currently empty.

Auto Captioning

The screenshot displays the 'Caption Permissions' interface. On the left is a green sidebar with icons and labels for 'Overview', 'Profiles', 'Permissions', and 'Extract'. The main content area has a dark header with the title 'Caption Permissions' and a help icon. Below the header, the 'Captions Profile' section shows a dropdown menu set to 'Captions UK English ASR'. The 'Access Level' section contains three radio button options: 'Request Captions', 'Request & Approve', and 'Automatically Caption'. The 'Automatically Caption' option is selected, highlighted with a green box, and pointed to by a green arrow. At the bottom, there are two panels: 'Available' and 'Selected'. The 'Available' panel has a search bar, radio buttons for 'Users' and 'Groups' (with 'Groups' selected), and a list of 'LTI Instructors' and 'LTI Students' with checkboxes. The 'Selected' panel also has a search bar and radio buttons for 'Users' and 'Groups', but it is currently empty.
