GLITTER MAKEUP

MOON[®] glitter

Part of the Moon Creations family, Moon Glitter offers an extensive range of glitter makeup, loose glitter and body gels. Moon Creations was founded in 2012 with a mission to bring colour, fun and innovation to the colour cosmetic and party makeup sectors. Over the past 7 years we've grown to offer a vast range covering all of the key market trends.

Moon Creations manufacture and formulate all of our products in the UK to the highest standards.

Our in-house manufacturing facilities are ISO9001 and Good Manufacturing Practice GMP UN22716 accredited. We are subject to regular external audits and strive to continually improve our products and processes to ensure our products are the best available and that our processes are as efficient as possible.

All of our products have been stringently tested by approved independent evaluation bodies to ensure compliance with EU1223/2009, US FDA*, Health Canada and 20 other key international cosmetic regulations. The entire Cosmic Moon collection is free from Fragrances, Parabens and SLS.

None of our products have been tested on animals. We are also members of Sedex and have audited our supply chain to ensure that we and our suppliers are meeting our environmental, labour, business ethics and health & safety obligations globally. The majority of our products are also 100% Vegan! **

We pride ourselves at offering the quickest possible dispatch times. We have strong relationships with multiple carriers to ensure we offer the most efficient and cost effective shipping methods available to all corners of the globe.

We strive to offer the best possible customer service. Our business processes ensure accurate dispatch of orders every time and we hold significant stock levels of our entire range to ensure we can service customers quickly.

MOON[®] Creations

* Vast majority of Moon Creations products fully comply with FDA regulation - as indicated by the FDA Compliant logo on each product page. All products featured meet the requirements of EU, Canadian and other major international cosmetic regulations. We have also undertaken independent testing to confirm the safety of all of our products.

** As indicated by the 100% Vegan icon

BIO 
Glitter

The benefits of Bio Glitter.....

Completely unique, Moon Glitter Bio Glitter uses natural and plant-derived, non-plastic material as it's basis, rather than synthetic plastics or bioplastics. It is also the only glitter available that is not just compostable but also PROVEN to biodegrade into harmless substances in the natural environment.

Moon Glitter Bioglitters replace the core polyester film used in traditional glitter with a unique and special form of cellulose from hardwoods, primarily eucalyptus sourced from responsibly managed and certified plantations.

Key Features:

- **Independently tested by OWS to ISO14851 Fresh Water Biodegradability and proven to biodegrade in the natural environment**
- **92% plastic free**
- **Biodegradable in the natural environment**
- **100% antimony free**
- **Silky soft feel on skin compared to polyester glitter**
- **100% GMO free**
- **Suitable for vegans**
- **Allergen free**
