

Kindness Marker  
In Memory of **Gianna Cirella**

Gianna, at 16 years old, died from Sepsis on November 1, 2017 in Providence, RI.

She was a soccer goalie for the Tollgate High School Soccer Team, the Warwick Firefighters Soccer Club and loved country music.

Gianna believed that anyone can **#doBIGthings**, so now it's *your* turn.

Please accept this Kindness Marker and continue to pay it forward in her memory.

Do something **"BIG"**  
**Be kind, Inspire others & Give back!**  
*(the smallest gestures go a long way),*  
then share this marker with someone else to do the same.

Two hands, one on the left and one on the right, are positioned to form a heart shape. The hands are dark purple with a lighter purple glow around the edges. The heart is centered in the upper half of the image.
