ABOUT GIANNA

Sixteen year old soccer player, Gianna Cirella of Warwick faced a challenge too great to fight without a team. Within days of developing a sore throat, Gianna developed pneumonia and sepsis, a life-threatening infection in her blood. After a 16-day fight for her life, Gianna passed away peacefully surrounded by her family on November 1, 2017.

THE GIANNA CIRELLA MEMORIAL FUND

This memorial fund has been established in Gianna's name to provide assistance for sepsis research and assistance to children and their families who have been affected by sepsis. Sepsis affects more than 1.5 million people each year.

THE 2ND ANNUAL 5K RUN/WALK

All proceeds go to The Gianna Cirella Memorial Fund.
