FAQs

What do I need?

All you need is a high-speed Internet connection (cable or fiber optic) and a regular phone.

Can I transfer my phone number?²

In most areas you can port your existing phone number to Ooma. Best of all, porting is free! You must maintain the current phone service until the porting process is completed, usually 1-2 weeks.

Do you support 911 calls?³

Yes. Ooma collects your address when you activate online and uses this information for emergency response.
