

Privacy Policy

This document is to inform visitors and players regarding the policies of Skylab Entertainment ('Skylab') with regards to the collection, use, and disclosure of Personal Information.

If you choose to use any of Skylab's Services, you agree to the collection and use of information in relation to this policy. The Personal Information that Skylab collects is used for providing and improving the Service. We DO NOT use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

To improve Skylab's Service, we may require you to provide us with certain personally identifiable information. The information that we request is retained on your device and is not collected by Skylab in any way.

Google Play Services Log Data

We want to inform you that, whenever you use Skylab's Service, in a case of a crash or error in the app, we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing Skylab's Service, the time and date of your use of the Service, and other statistics. Again, we DO NOT use or share this information with anyone except as described in this Privacy Policy or for commercial use.

Cookies

Cookies are files with small amounts of data that is commonly used in a form of anonymous unique identifiers. These are sent to your browser from the website that you visit and are stored on your device's internal memory.

Skylab's Service does not use these "cookies" explicitly. However, it may use third party code and libraries that use "cookies" to collect information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

Skylab may employ third-party companies and individuals due to the following reasons:

To facilitate our Service; to provide the Service on our behalf; to perform Service-related services; or to assist us in analyzing how our Service is used. We want to inform users that these third parties may have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us with your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure or reliable.
