

# Notice of Ground Investigation Works

May 2019 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Who is Eiffage Kier?

Eiffage Kier is the contractor carrying out the civil engineering works for the new HS2 line. Eiffage Kier will undertake all earthworks and landscaping as well as creating new structures including bridges, viaducts and green tunnels.

## What are we doing?

As part of HS2's preparation works, we will be carrying out ground investigations along the route to provide technical information about the ground conditions. They are part of the early works that Eiffage Kier will carry out this year, in advance of the main works.

## When will these works take place?

Although some ground investigation works have been carried out, further investigations are necessary as the detail of the design is now more mature. They will take place from mid-May to July 2019.

**If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

## Notification

### Duration of works

Normal working hours:

Monday to Friday

8.00am - 6.00pm

Saturdays

8.00am - 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

### What to expect

Varied activities with both quiet and busier periods.

Agreed routes will be used by a small number of HGVs and vehicles. A lot of equipment will be moved by local farm tractors and trailers.

### What we will do

Manage any environmental impacts, such as traffic and noise.

Inform you of any changes to the provided dates.

Respond promptly to any complaints and take appropriate action.

## What does the work involve?

The ground investigation works include using ground radar and bore holes and we will be using a mixture of these techniques to take rock and soil samples. A typical bore hole has a diameter of 200mm and can vary in depth from between around 10 metres and 50 metres. Small pits known as trial pits will also be excavated. These tend to be about 4 metres long, less than a metre wide and up to 4 metres deep. The photograph below shows a borehole operation.

## How will this affect me?

The works will be carried out by teams of three or four and all investigation locations will be safely reinstated. Works at any one location will generally not exceed two weeks. We do not expect any impact on highways however neighbours near to work sites may hear drilling.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. [www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: [www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)  
Find out if you're eligible for compensation at: [www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)
