

TELLADO

Siolim, Goa

Welcome to Tellado Adagio. The living room opens directly onto the infinity pool, creating a seamless transition between indoors and out. On one side, a floating deck extends outward—a quiet perch that brings the trees close and makes every moment feel a little lighter.

The kitchen flows into a floating dining table. Ideal for chef-prepared meals or casual cooking, it allows smooth service and easy interaction between the kitchen and dining space—bringing a sense of ease to everyday moments.

The image shows a master bedroom with a high, vaulted ceiling and a large, curved window. A dark wood bed frame is dressed in white linens with a black border. Two large pillows with a bold black and white geometric pattern are placed at the head of the bed. To the left of the bed, a dark wood nightstand holds a small black vase with yellow flowers. A dark wood chest of drawers sits on a round, light-colored rug. The floor is covered in light-colored hexagonal tiles. The walls are a neutral gray, and a white ceiling fan is visible. The overall aesthetic is modern and minimalist.

The villa offers four inviting bedrooms, each with its own bathroom. The master bedroom spans the entire top floor, creating a private, spacious retreat. On the same level as the living room, kitchen, and pool, the deck bedroom offers seamless access to shared spaces. The entrance-level bedroom is easily accessible and welcoming, while the mezzanine bedroom opens out to a quiet outdoor setting—ideal for those who enjoy a sense of calm and privacy.
