

Hello Friends,

We are excited to have our 1st Annual Golf Tournament on October 7th, 2019 at Ledgemont Country Club and we need your help. On behalf of the Board of Directors and the Golf Committee, we would like to invite you to support this amazing charity. A Wish Come True started 37 years ago and is the oldest wish granting organization in Rhode Island and Southeastern Massachusetts. Each year, a Wish Come True provides over 40 Wishes for children and youth, ages 3-18 that have life threatening illnesses. The average cost of a wish is \$5,000-\$7,000 per wish. A Wish Come True stands out from other Wish organizations as they only have two full time and two part time staff. This means the money raised goes directly to making these wishes happen for these special children and their families. This year, they are surpassing 40 Wish Kids and they need our help!

"We just returned from our trip to Florida and all we can say is what an amazing trip. Natasha had a blast each and every day. We didn't think about all the treatments she has gone through or the tough times our family has been through over this past year. Her smile was infectious to all of us. Because of A Wish Come True we have amazing memories. You are the real deal and you changed our life. Thank you just isn't enough!" ~ Marie
