

WE NEED YOU!

Prayer Partners

Spiritual victories are won through prayer. All SEND missionaries are required to have at least 30 prayer partners who will commit to pray regularly for them. Up-to-date information enables prayer partners to pray for their missionary's immediate personal and ministry needs.

Financial Partners

SEND International is a faith mission. SEND missionaries rely on the Lord to provide for their material needs. Financial partners commit to invest in a specific missionary's ministry. Their investment helps provide a modest but adequate salary, ministry expenses, medical insurance and pension. A small part of their investment covers the cost of administration. Without financial partners, the work of these missionaries will not happen.

Some financial partners agree to regular support, while others prefer to contribute from time to time toward specific projects. Financial partners will receive prompt tax receipts, regular missionary newsletters, as well as updates on what God is doing in other places where SEND and its partners minister.

BE DISCIPLES. MAKE DISCIPLES.

**JACK & SIMCHA
GILBERT**

MISSIONARIES TO SPAIN

DISCIPLESHIP IN SPAIN

Jack and Simcha met while in High school in GA. Simcha was raised in a Christian home and followed Christ since her youth. She spent many years serving in the church in various ways and was also active in sharing her faith. Jack came to faith at the age of 17 after Simcha and other friends shared the Gospel with him. Jack quickly became involved in evangelism, church service, and short-term missions within the US. Jack felt a call to ministry even in the early stages of his faith.

Jack and Simcha married about a year after high school and began a 10-year journey in military service after Jack joined the United States Air Force. During their travels, the Gilberts became increasingly active in service in the church and in discipleship. Toward the end of Jack's military service, the Gilberts were stationed in South-East Asia for two years. During that time Jack and Simcha were befriended and discipled by a missionary family. This is when their desire to serve in overseas missions began to grow.

After leaving the Air Force the Gilberts both returned to college to complete their educations. God showed Jack and Simcha that their years of lay-ministry has been in preparation for a transition to full-time ministry. Jack then pursued a Master of Divinity at Gordon-Conwell Theological Seminary and was ordained by Converge Northeast as a minister of the Gospel. Simcha meanwhile completed her degree and began a career

as a math teacher. Both Jack and Simcha serve the Lord and His people in various ways at First Central Bible Church (their sending church), where Jack is part of the staff. Personal discipleship and counseling are a major part of their lives.

After seeking God's will in prayer, God's word, and wise counsel from their church, Jack and Simcha both felt that God was leading them to partner with SEND International in the work that God is already doing in Spain. It is their desire to demonstrate the love of God to the Spanish people and to the refugee population in Europe. They intend to proclaim the Gospel, plant churches, disciple young believers and equip Spanish believers for the work of the ministry.

The Gilberts need partners to join with them in this mission. There are three ways you can help make disciples in Spain:

- Joining as a dedicated prayer partner.
- Financial support: One-time gifts help, ongoing support helps the most.
- Connecting the Gilberts with other mission-minded people with whom they can share their burden for Spain.

You're support matters. The Gilbert's believe that those who send are as much a part of God's work as those who are sent, and together both give glory to God. Will you prayerfully consider becoming part of their ministry? Please fill out the form on the right and mail it to the appropriate SEND International address or visit SEND.ORG/JSGILBERT.
