

Dark & Mysterious

Her mysterious look and uneventful ways, sprung a darkness that unveiled power and wisdom.

She may have been frightened at first,

At first, she was afraid,

Then the time caved in and washed over her like waves.

Waves of tears that became exhausting to shed,

Waves flowing through a river of secrets that she soon had to bear.

But her dark & mysterious persona, paved the way for headlines,

When all she wanted was to simply ride the sidelines.
