

Powerful Beauty

The power that envelopes our being and absorbs our beauty,
The power that defines our wounds and facilitates our actions,
Forms without our permission and challenges our mind,
That's the beauty of **Power**.

Pain, stress, & worry forms a natural radiant glow,
A glow materialized by life's massive blows,
An electrifying source that comes from within,
Has helped us pull through and carried us until the very end,
That's the power of **Beauty**.

Our powerful beauty molds us into who we are,
Which gives us the means to go so far,
The power within us has no boundaries nor capitalizes on despair,
It preserves our heart and gives us strength that is Rare,
That's the **Beauty of Power**!
