

# Beetle Clip

slimmest LED strip connector ever

## Product Description

Beetle Clip is slimmest LED strip connector ever, its outer width is only 1.5mm wider than strip light's while the height is just 4.3mm. Pierce-to-contact technology make connection very firm. Not to mention that user can attach different wires easily to the connector on site according to project requirement. Clear housing will not mask any light from LED strip.

# Product Selection

**Product Name** Beetle Clip 2 Pin LED Strip Connector  
**Production NO.** BC-N8XB-2  
**Type** strip to wire  
**Dimension** 15.4\*9.5\*4.3 mm  
**Max Voltage/Current** DC36V / 5A  
**Working Environment** -10~45°C  
**Workable Wire Gauge** 20AWG / 0.52mm<sup>2</sup>  
**Workable Strip Light** 8mm single color IP20, </=120LEDs/M

**Product Name** Beetle Clip 2 Pin LED Strip Connector  
**Production NO.** BC-N10XB-2  
**Type** strip to wire  
**Dimension** 15.4\*11.5\*4.3 mm  
**Max Voltage/Current** DC36V / 5A  
**Working Environment** -10~45°C  
**Workable Wire Gauge** 20AWG / 0.52mm<sup>2</sup>  
**Workable Strip Light** 10mm single color IP20, </=120LEDs/M

**Product Name** Beetle Clip 2 Pin LED Strip Connector  
**Production NO.** BC-N8BB-2  
**Type** strip to strip joint  
**Dimension** 21.6\*9.5\*4.3 mm  
**Max Voltage/Current** DC36V / 5A  
**Working Environment** -10~45°C  
**Workable Strip Light** 8mm single color IP20, </=120LEDs/M
