10W COB LED LIGHT MODULE (MD02)

Product Features

- Compatible module fitting available
- C-Bus compatible
- Made with LM-80 certified LED chips
- Long life-span with low power consumption
- With flex and Australian standard plug

Technical Specification

Model	MD02-10AC
Watts	10W
Input Voltage	AC 240V 50/60Hz
LED Chip	CREE COB LED
Colour Temp.	3000K
Lumens Output	710lm
CRI	Ra>80
Beam Angle	60°
Size	D49.8 * H71.5mm
Cutout	Retrofit
IP Grade	IP 20
Dimmable	Yes (Triac Dimming)
Available Fitting Module	90mm cutout (White or Black Housing)
