

BELIZE NEWS

The Apostolic Pentecostal Church of Belize

Thank You >>>

We welcomed September in with a blaze of activity and progress. The last week of August a group of volunteers from the Family Worship Center in Plaster Rock, NB Canada landed in Belize. They came to help us with our "Raise the Roof" project. Because of their efforts, our headquarters building no longer leaks, and all roof's/eaves are closed in — preventing further rodent and pigeon infestation! We cannot thank them enough for the incredible load of work they helped us accomplish.

Arriving early Tuesday afternoon, they immediately began to set the stage for the remaining week's work. Carpenters, electricians, painters, mechanics — *we had it all.* **And, we used them all.** The roof installation began. Not deterred by the intensity of the heat, they laboured on.

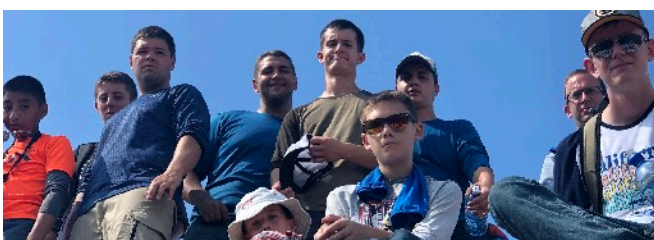

Within hours, it was looking like an entirely different place...

As the Week Progressed >>>

Thursday, Friday & Saturday the transformation continued. Painting offices. Working on vehicles. Fixing electrical. Closing in eaves on buildings. More work on the roof. Clean up around the property... **the work never stopped.**

Check out our website for more photos and videos from what went on behind the scenes at "Raise the Roof".

The Finished Project >>>

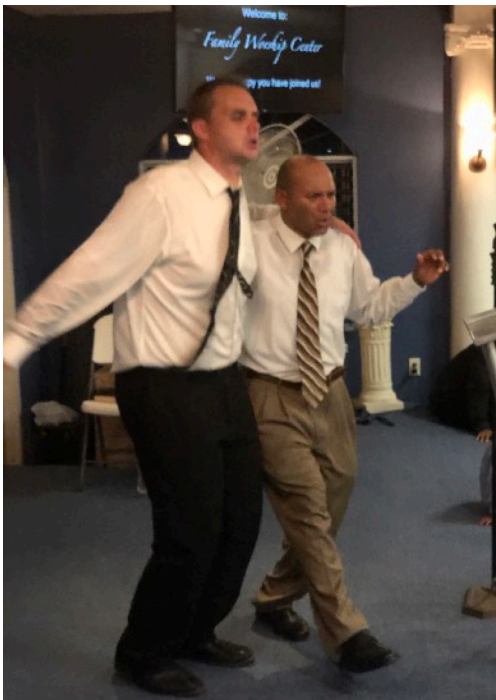

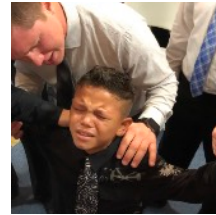

As you can tell -- it looks AMAZING! We were unable to get all the "hip" portion of the roof installed, as well as the roof over the entrance... *we simply ran out of time*. However, the material is all purchased and will be completed over the next few weeks.

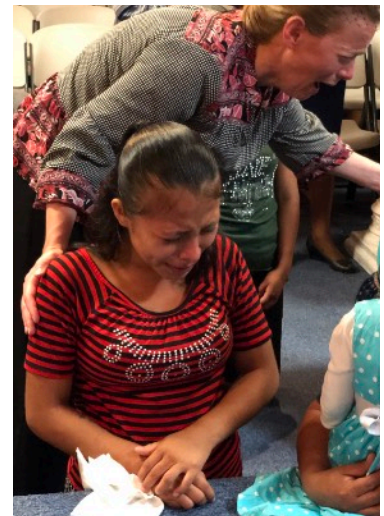

It Wasn't Just Bricks & Mortar >>>

Beginning on Thursday, we had services nightly. A sweet presence of the Holy Ghost was evident in every service. On Friday night, the congregation from Punta Gorda was able to join us for special services the remaining weekend. The saints from Belize were so thrilled to worship together again!

God moved in a special way. Sunday morning will go down as destiny changing in the history of APCB... **God spoke.** We heard. We believe. *We are so EXCITED about what God is doing in Belize.*

Thank You, Belize >>>

We are so proud of the saints of APCB -- they tirelessly laboured to host the group from Canada. Every day the ladies were cooking to feed this army. 😊 The. Food. Was. Amazing! Also, Rev. Sergio Rodriguez was instrumental in helping us get the materials and framing for the roof — THANK YOU!

On Sunday Night APCB had a surprise celebration for Sis. Marcia McKillop's birthday. As Belizean custom dictates, she took a bite out of the corner of the cake! :) What a great time was had by all!
