

Come Follow Me- For Primary page 178 "Reinforce the message of James 3:1-13 by singing together a song about being kind, such as "Kindness Begins with me" (CSB, 145). Suggest that the children make a "kindness jar" they can fill with pebbles..whenever they say something nice to someone."

If printed on sticker paper, you can use these for labels for the "kindness jar" or for tags to put on the children.
